Kampus Korner Re-Opening

By Lillie M. Vaughan

A new addition to campus life at E.C.S.U. is the Kampus Korner. It is two blocks from the university on the corner of Parkview Drive and Cooke Street. The store hours are from 8 P.M. to 2 A.M., seven days a week. It should provide real relief for students who complain of having nothing to do in their spare time.

On entering Kampus Korner you will find beer is sold at the bar, both draft and in cans. To the left of the store is a juke box with many of the latest hits and looking further is a small secluded area,

sectioned off by hanging streamers. This section contains five tables which seats four persons each.

The owner, Marvin Herrons, is very optimistic about its success and adds he is willing to do all he can to comply with the students wishes. If records are not listed on the juke box he suggests students write down the name of the record and give it to him, so that he can be sure of getting that selection. In every word, he has assured students Kampus Korner is the what's happening place for the happening student body at E.C.S.U.
