Get together a new look without all the cash. Here are a few tips for a Fall Fashion Update.

Red shoes, bright pantyhose, bits of lace - these are just a few ideas coming up for a fresh look for fall.

Bits of lace from the Dollar Store can go on the collars and cuffs of a favorite blouse or sweater. To complete the nostalgic look, wear a starched cotton petticoat under a full skirt.

Concentrate on accessories - not only do they last for years but they draw attention away from humdrum clothes. Go for a fedora style hat and textured socks to perk up a winter skirt.

Pad the shoulders of bulky sweaters and jackets to get a nice lean line. When this look changes remove the pads.

Boys' neckties look wonderful with silk shirts and tweed jackets; men's plaid flannel nightshirts make terrific mini-dresses.

To take off the hard edges of a tailored pantsuit, tie scarves in big bows at the collar and wear a higher heel.

Plan to sash your tunic or dresses at the hip instead of the waist for a 1920s style. Then add a snug hat and a long string of beads.

Don't be shy about looking in thrift shops for costume jewelry and pieces of fur to sew on coats, suits, or gloves.
