

# Looking For a Summer Job?

## THINKING ABOUT A NEWSPAPER CAREER ?

**ARE YOU** the sort of Freshman or Sophomore who likes to ask questions?

**ARE YOU** the sort of person who wants to know what's really going on around you?

**DO YOU** like to write and read?

**AND** will you be looking for a job this summer?

If your answer to these questions is YES, then the American Society of Newspaper Editors would like for you to apply for a summer job. The idea is to get you interested in a career in journalism.

NEWSPAPERS are looking for minority students who have an interest in becoming tomorrow's journalists.

**If you would like to be considered do this:**

1. Fill out the form on this page.
2. Write us a one-page letter describing yourself and telling us what you want to do with your life.
3. Send both the form and the letter to
