Dear Editor
Why are the employees at ECSU so touchie? Maybe they don't like their jobs.
Anonymous

Dear Editor
Thank you very kindly for the informative experience I have gained from you and your staff. I have enjoyed reading the COMPASS the four years I've been here, but I never knew I'd become involved with it.

Dear Editor
We pay enough money to go to college. Why should we have to pay to park our cars here?
Unsatisfied

Now I can say I know what goes on behind a newspaper. The COMPASS has been an asset in aiding me in my endeavors. The issues have given me the incentive to explore what's true on campus instead of hearsay.
Once Again, Thank You
Lawrence A. Wright
