

SEASON'S GREETINGS

A CHRISTMAS GREETING TO THE UNIVERSITY FAMILY

Christmas is a time of giving. It is also a time for giving thanks for that most precious gift of all.

We ask each of you to search your hearts for that most precious gift to give and to reflect deeply on that special gift already given to mankind.

With the two precious gifts in mind, Elizabeth City State University will truly be that beacon of light and hope for those who still walk in darkness.

WITH BEST WISHES FOR A JOYOUS SEASON!!!!
