Over Spring Break March 14-18, 2002, 11 VANS were selected to participate in the Southern Regional Orientation Workshop (SROW) for student orientation leaders at Northwestern University in Natchitoches, Louisiana. The annual workshop is held to provide training, campus resource information and networking for students and professionals who coordinate new student orientation workshops at colleges and universities in Region VI, which is comprised of schools in Alabama, Georgia, Florida, Kentucky, Louisiana, Mis-

issippi, North Carolina, South Carolina, and Tennessee. Over 1,200 students from 40 colleges and universities were in attendance. The VANS participated in the banner competition, orientation t-shirt swap and the opening session role call. Mrs. Deborah Branch, Director of the Counseling and Testing Center and staff members, Rev. Roosevelt Askew and Mrs. Carolyn Williams, also attended the SROW meeting.

Approximately 35 VANS will participate in NSO this year. They are planning to incorporate a number of new ideas to this year's Summer 2002 NSO sessions scheduled for June 20-21, July 11-12, and August 22-23, 2002.
