## KEEP ON MOVING

When all else fails, keep on moving. Keep on pressing for the mark, believing that the true reward lies in the Father's arms. Keep on striving for your vision, speaking things as though they were, and proclaiming the victory that has already been won. Keep on taking the promises of God by force, resisting the devil, and departing from evil.

When all else fails, keep on trusting in the Lord and standing

on His everlasting word, knowing that it is the only way to defeat the enemy. Faith without works is dead. Keep on walking in the will of the Lord and obtaining His favor, being blessed, and expecting great things.

When all else fails, keep on showing mercy, forgiveness, and love toward one another and know that whatever you sow that you will also reap.

In whatever you do, when all else fails, never give up. Just be steadfast and keep on moving!

Ladies it's a new year! Time for some changes!

I understand that 2002 was the year when a lot of you lost focus and forgot your mission, but you have been given another chance. A chance to get it right and pick up where you slacked. You have another chance to be strengthened where you fell weak.

2003 is the year to remember the vision that has motivated and drove you thus far. Although our struggles may have varied, our purpose her still remains the same--to enhance our knowledge, improve our skills, and prepare ourselves for our future careers. So ladies, whether your downfall was procrastinating with your studies or experiencing bad relationships, it's time to get it together.

Above are two pictures from the February 4th trip to Raleigh for the UNC Association of Student Governments' Student Day at the Capitol. Students from 13 of the 16 UNC system institutions met with state legislators to promote Higher Education as a priority during the upcoming legislative session. ECSU had the most students in attendance (29). In addition to attending the rally, our students got to meet with Representative Owens. More information can be obtained from Damiyon Sledge at 331-8892.

## WORDS OF WISDOM

Author Unknown

Read each one carefully and think about it a second or two. Some people should read more carefully than others!!

1. I love you not because of who you are, but because of who I am when I am with you.
2. No man or woman is worth your tears, and the one who is won't make you cry.
3. Just because someone doesn't love you the way you want them to doesn't mean they don't love you with all they have.
4. A true friend is someone who reaches for your hand and touches your heart.
5. The worst way to miss someone is to be sitting right beside them, knowing you can't have them.
6. Never frown, even when you are sad; you never know who is falling in love with your smile.
7. To the world, you may be one person. To another person, you may be the world.

8. Don't waste your time on a man/woman who isn't willing to waste their time on you.
  9. Maybe God wants us to meet a few wrong people before meeting the right one so that when we finally meet the right person, we will know how to be grateful.
  10. Don't cry because it is over, smile because it happened.
  11. There's always going to be people who will hurt you. What you have to do is keep on trusting and just be more careful about who you trust next time around.
  12. Make yourself a better person and know who you are before you try and know someone else and expect them to know you.
  13. Don't try so hard. The best things come when you least expect them to.
- REMEMBER: WHATEVER HAPPENS HAPPENS FOR A REASON.**
