

The Norfolk State tournament game — conference and action.

## RAMS DEFEAT AGGIES BY SIX

Coming up with a superb team effort, the Rams upset heavily favored A&T, 75-69, in the first round of the CIAA tournament last month in Greensboro.

The Rams gave no quarter to the taller A&T team on the boards. They played outstanding defense and got solid performance from the reserves when several first stringers got into foul trouble.

The Rams out-shot A&T from the floor 53 per cent to 43 per cent. With Kimbrough and Williams hitting from the outside, the Rams grabbed leads of 10-3 and 14-5 in the opening seven minutes. But the Rams then got into foul trouble. William English and John Lathan, had four each with 9:51 left in the half. They spent most of the second half on the bench, while reserves Calvin Stith and David Spell came in to get the job done.

Praise is due the Rams for this game and the student body for its support. —Marvin Lattimore

## RAMS DEFEAT FAYETTEVILLE BY 33

The Rams brought their home season to a close February 17 by blasting Fayetteville State 100-67. The hot shooting Rams, fresh from knocking off unbeaten Elizabeth City, exploded with 11 minutes remaining in the half and had the victory sewed up midway through the second half.

Bill English paced the Ram attack, firing in 35 points and pulling down 16 rebounds.

English was backed by Allen McManus and Vaughn Kimbrough as each dropped in 20 points.

The victories over Elizabeth City and Fayetteville moved the Rams into fifth place in the CIAA standings and a spot in the tournament.

The second unit, with Reginald "Punch" Scales directing the operation, held its own in the battle for points in the final minutes.

## Disaster Strikes Again

The score was the same as the night before as the Rams dropped an 89-88 decision to Maryland State in the CIAA tournament consolation game. But the difference was that a traveling violation and not the clock wrapped up the victory for the Rams' opponent.

The score was 89-88 when the Rams got the ball because a Maryland State player knocked it out of bounds, and William English, five feet from the goal and five seconds from the end of the game, walked. That gave Maryland the game and third place in the tourney.

One notable fact was the per-

formance of William English, who made a near record setting 37 points.

Thirty-six of English's 37 points came from the floor. The one basket he did not get was all he needed to tie a CIAA single-game field goal record of 20. English made All-CIAA for the second year in a row, and he along with Vaughn Kimbrough made the CIAA tournament All-Star team.

The Rams gave a good showing and so did the student body. We thank you Rams for a most enjoyable season.

## Rams Choke Elizabeth City Rally

Winston-Salem State, surging behind the brilliant shooting of Allen McManus and Vaughn Kimbrough, handed previously unbeaten Elizabeth City State its first defeat February 14. The victory snapped a 19-game winning streak for Elizabeth City and ran the Rams season record to a 12-10 mark.

The Ram bench turned the tide with great play from Calvin Stith, David Spell and Henry Melton. This trio pulled down rebounds and threw in timely baskets.

The Rams tied the score at 55-55 with ten minutes remaining in the game and took the lead 72-68 on baskets by McManus and Kimbrough.

Elizabeth City cut it to a two point margin (76-74) with 2:18 left, but Kimbrough's marksmanship

sewed it up. He sank a field goal and four free throws and Spell dropped in one to post the final seven-point margin.

Remembering the 102-90 setback at Elizabeth City earlier this season, the Rams had no ideas about it happening again. The Rams went into the locker room trailing 41-36 and deep in foul trouble, committing 17 fouls to 7 for Elizabeth City.

John Lathan and Don Williams fouled out in the first five minutes of the second half. That forced Gaines to turn to his bench and the subs came through.

Allen McManus led the ram attack with 25 points followed by Kimbrough's 24. Israel Oliver paced the Viking attack, securing 32 points and pulling down 11 rebounds.

Philadelphia

WHERE THE ACTION IS

FEDERAL SCHOOL REPORT says: The Philadelphia public schools are engaged in "the most dramatic revolution in a city school system in the post-war period." Reform in Philadelphia is "more widespread and far-reaching than in any large school system in the country."

DR. MARK SHEDD, Superintendent of Schools, says: "I will continue to support teachers who are able to examine, in a mature way, the gut issues of our day — war, sex, race, drugs, poverty. If we divorce school subjects from the guts and hopes of human beings, we can expect students to find them gutless and hopeless."

RICHARDSON DILWORTH, President of the Board of Education, says: "The city is where the action is. It's where the challenge is. It's where we are facing the great moral issues of our day. If you want action, come teach in Philadelphia. If you don't, teach in the suburbs."

WE SAY: Come join our school revolution as a teacher. Get in on the action. Teacher salaries are rising rapidly. So is our school system. See our recruiter on your campus on April 16 or write to the Office of Personnel-Recruitment (Telephone 215-448-3645).
