

## Mini-sessions Scheduled

In an effort to meet the needs of many students, the Enrichment Center is now sponsoring a series of mini-sessions in English and Mathematics.

The sessions are short workshops designed to accomplish a single objective or study a specific concept. Students may attend as many sessions on the same concepts or different concepts as necessary.

The first half of the sessions has been completed and the next series of sessions will begin on Monday.

In addition to the mini-sessions, the center also has a staff of tutors available to offer personal assistance throughout the day. Tutors in American Government, Anatomy & Physiology, Biology, English, Math, Political Science, Social Anthropology, Social Welfare, Sociology, Spanish and World Civilization will help students experiencing difficulties in any of these areas.

Check with any of the Enrichment Center staff, Mrs. Maurice Johnson, Mrs. Naomi Cecil or Mr. Lokie Kee, for scheduling or more information.

## Glamour Announces Contest

Winston-Salem State University students are invited to participate in GLAMOUR Magazine's 1976 Top Ten College Women Contest. Young women from colleges and universities throughout the country will compete in GLAMOUR's search for ten outstanding students. A panel of GLAMOUR editors will select the winners on the basis of their solid records of achievement in academic studies and-or in extracurricular activities on campus or in the community.

GLAMOUR's Top Ten College Women Contest has evolved over the past twenty years along with the changing interests and concerns of college women. Ten

years ago, this was a contest to select the best-dressed on campus, but since 1969 the emphasis has been on what college women have achieved.

The 1976 Top Ten College Women will be photographed by leading New York photographers and featured in GLAMOUR's August College Issue. During April, May or June the ten winners will be invited to New York to meet the GLAMOUR staff and will receive a \$500 cash prize.

Anyone who is interested in entering the search should contact Ms. Charisse Cannady, Director of Public Relations, for more information. The deadline for submitting an application to GLAMOUR is February 16, 1976.
