# The New Day SGA

### "On The Move"

The Student Government association calls itself the New Day S.G.A., because it wants to symbolize a change. It is a new S.G.A. and the members have a new feeling. This feeling tries to bring about changes for the students. The entire staff is working together to accomplish total goals. Some of the goals are: to bring new life to the campus; to improve educational programs in all areas; to improve the social and academic atmosphere; to establish better communication between students and top administration; and to establish more unity and pride.

A few of the goals they've accomplished already are: A Clean-up Committee - (which cleans up every Saturday

morning at 10:00).

There have been question and answer sessions with the chancellor and they will be held periodically. They have provided social activities which include Human Blood, Funk House Grand Illusion, Healing Force, and a dance at the La Terre XXI every other Thursday night. Then there are the Homecoming Activities.

The main thing the New Day S.G.A. works for is student involvement. They meet with the Chancellor to discuss problems, suggest solutions and to voice student opinions. They cannot accomplish their goals without the students. Give them your support.

## Love at WSSU

Hi Rams,

Welcome back to another thrilling year at WSSU. As one of this year's co-editors of the New Argus Staff, I hope that we will present a paper that you will be proud of and one that you will enjoy reading. We realize that in order to make anything appealing to the Rams, we must consider every member of the Ram Family. We want this year's paper to be one that will benefit "you". If you have any ideas on how to improve the paper or make it more appealing to the Rams, please feel free to submit all ideas to the News Argus office, located in the Alumni Hut.

Remember Rams, we're doing it all for you. Have a good year and forever keep smiling - it makes others think what you're up to!

See ya,
