

Kappa's Aid The Needy

Myron Williams
Staff Reporter

The Delta Chi chapter of Kappa Alpha Psi started the fall semester with a series of events. Delta Chi chapter is far from being exclusively a socially oriented fraternity. During Thanksgiving, the chapter worked in conjunction with the Experiment in Self-Reliance Association. Together they were able to supply four needy homes with clothing for the winter and summer months, they were also to supply four additional needy homes with food and other household essentials. The fraternity anticipates undertaking

a similar community project during the Christmas holidays. On December 4th, along with the WSSU student nurses, the Kappas set up blood pressure booths.

In the near future the Kappas will participate in a

hearing clinic sponsored by the R. J. Reynolds Sertoma Club.

November 30, 1978, the fraternity participated in an International Disco sponsored by the Winston-Salem Y.M.C.A.

Kappa Alpha Psi saluted Hayes and the mighty Rams on their successful season.

Vance High School, Henderson, N. C.; and Allen Ward, from Statesville, Georgia will join the team also.

Receivers recruited are: Alvin Powell, 6 ft. 4 inches, 230 pounds, of Pine Forest High School, Fayetteville,

N. C.; Jon McCants, 6 ft. 3 inches 190 pounds, of Reid Ross High School, Fayetteville, N. C., and wide receiver Dwayne Brooks, 5 ft. 10 inches, 170 pounds, of Hill Heights High School New Haven, Conn.

SARA Starts Activities

Regina Halley
Staff Reporter

The Winston-Salem State University Student Alumni Relation Association was organized in the fall of 1975. This organization was started to bring together students and alumni who were proud of their university. SARA is now an organization that gives students the chance to share their spirit for WSSU with alumni, parents, friends, and campus visitors. The requirements for student members include a two point grade average and a genuine love for WSSU. Together these students and alumni can be proud.

The Student Alumni Relations Association has three main goals: 1.) to establish identity and encourage an understanding of the alumni among students who are presently enrolled; 2.) to enhance the cultural life of the students through a variety of performances, lectures, receptions, workshops, seminars, alumni homecoming, and Unity

Day activities; and 3.) to assist students with special programs of an academic, personal, or social nature. The SARA members achieve these goals through committees. Each member is closely associated with at least one of six active committees: hospitality, emergency, Campus Beautification, fund raising, sports report, tutorial program, tours and trips, and lecture workshop seminars.

Previously SARA has sponsored the following: 1.) SARA Football Sweetheart Contest; 2.) ushers for the Lyceum programs; 3.) ten SARA members attended the Hall of Fame banquet for Coach Gaines; 4.) assisted

the national alumni chapter for all homecoming activities; and 5.) sponsored a Christmas tree merriment. (They sang Christmas carols at Chancellor Covington's home and at all the dorms on campus.)

This most enthusiastic organization has numerous

projects proposed beginning in January with inviting a local alumni to speak at each SARA meeting. The SARA Sweetheart Club will host activities for the men's basketball team for one week, and the Casa Nova Club will play host to the women's basketball team. An open seminar for spring is planned bringing alumni to visit classes in every major. Earl Monroe has consented to participate. Students will be sent to the Student Alumni Conference. A Faculty-Alumni

Talent Show is being planned, as well as the annual family night at the coliseum. SARA will work with Mrs. Covington on Campus Beautification projects. A spring trip is planned to Atlanta and buses are chartered to Washington for Alumni Unity Day during Easter weekend. A weekend camping excursion is also planned. SARA will assist the national alumni chapter in all upcoming activities, including Alumni Day.

FOR TEN CENTS YOU COULD SAVE A FRIEND

A phone call. A simple, ten-cent phone call for a cab could save your friend's life.

If your friend has been drinking too much, he shouldn't be driving.

The automobile crash is the number one cause of death of people your age. And the ironic thing is

that the drunk drivers responsible for killing young people are most often other young people.

Take a minute. Spend a dime. Call a cab. That's all. If you can't do that, drive him yourself. Or let him sleep on your couch.

We're not asking you to be a doctor or a cop. Just a friend.
