

YOUNG EXECUTIVES NEEDED.

Good Salary. Excellent Future. Job Satisfaction.

We're the United States Coast Guard. Although we're small—about 38,000 strong—our work is some of the most important in the country.

As you probably know, we're in the business of saving lives and property.

But we're also charged with protecting our coastlines, our Great Lakes, our waterways. Regulating the 200-mile fishery conservation zone. Intercepting narcotics trafficking. Monitoring the vessels that traverse all of our major ports.

All big jobs. Requiring top people.

That's why we need good, qualified, ambitious men and women.

Put your Bachelor's Degree to work.

We're especially interested if you have a technical degree—in engineering, science, mathematics, or computers. We've got plenty of work that takes your special talents and skills.

Once you finish officer's candidate school—17 weeks in Yorktown, Virginia—we'll give you a job with responsibility. You'll work with advanced equipment and technology.

The benefits. And the rewards. A starting salary of more than \$16,000 that can increase by over 40% in your first three years with normal promotion and seniority raises.

- Free medical and dental care for service members.
- A living-quarters allowance.
- Tuition assistance for off-duty education.
- Thirty days of paid vacation a year.
- A generous retirement plan for those who make the Coast Guard a career.

All this, plus the reward of working with a group that saves lives, property and protects the environment.
