## PUT YOUR LINGUISTIC SKILLS ON THE LINE.

If you're a college graduate with a degree in foreign languages, here's your chance to "talk" yourself into a great career opportunity. The U.S. Army is seeking linguists, both male and female. If you successfully complete training, you'll be putting your experience to work while earning a good salary to start, with good opportunities for quick advancement, plus food, lodging, medical and dental care.

It's an opportunity that could lead to several civilian career possibilities, and give you a real edge on life. Contact your local Army Recruiter for more information.
