When most college age students are 18-20 years old comes to college students at home to be on their own.

However, the college students we mentioned, Non-Traditional

Non-Traditional students who often show mature, married, or have had previous marriages. Most non-traditional high school graduates enter the work force and value of a college education.

Sharon Allen, admits she'd love to have more hours in a day.

at times, because not enough time in a day is done. I like having time with school, work, and daughter), it's hard to find time.

Kelly Dempsey, a 31-year-old part-time student, previously married, is an Office Manager at a company here in Wilmington. She is currently taking classes and studying approximately 15 hours a week.

Dempsey stated she wants to further my education.

The ladies of the Chapter of Alpha Phi Inc. have been busy with their service projects.

With "service projects" as their main goal, every member has a project. They have been sponsoring school children in the area.

Have you ever seen the new road by the Waterfront recently? If so, you know a portion of highway 101 was repaved by Lambda through their Campaign sponsor.

As ongoing projects these ladies donate monies for the homeless, do can food drives for the soup kitchen and collect clothing for Goodwill.

Campus activities for the year have included a campus cleanup campaign and

McDaniel, Tameta Wilson, Tonya Wilson, Denise Lee, Jennifer Ward, Kya Lewis, Shawn Johnson, Lashelle Lawson, Erica Clemmons, Tameka Franklinton, Chassity Whitaker and Kitchawa Roulac.
