When In Love

When in love, you often find yourself acting in strange and unusual ways.
 When in love, you look beyond their faults and give them overwhelming praise.
 When in love, you seem to smile, but inside you surely cry.
 When in love, no matter how fine or smart they come, you will deny.
 The world seems so much brighter when you find that someone true,
 Even when trials and tribulations come that make you sad and blue,
 So when you face the rain and sorrow and you turn to look above,
 You'll see all of Cupid's angels shooting precious arrows of love.

Queyana Woods

Why Oh Why?

Why oh why
 Must I hide
 and not tell of my attraction.
 Why oh Why
 Must I hide
 behind the laughs and jokes.
 Why oh Why
 Must I hide
 the only time I ever fell in love.
 Why oh Why
 Must I hide
 and live with the fear of the love not being returned.
 Why oh Why
 Must I hide
 the way I feel when you smile or giggle.
 Why oh Why
 Must I hide
 in my dreams, when we are together.
 Why oh Why
 Must I hide
 with the thought that I won't be able to express my feelings,
 even in a poem.
