

Dear Santa,

Well it's been another long year-but we stuck it out (the RAMS that is), so now we are going home and when we wake up on Christmas morning we would like to find the following items under our respective trees.

- Tolly Carr wants a new stereo and some fat speakers.
- Alfron Patterson wants someone to pay next semesters' tuition(perhaps you Santa).
- Wendell Henry wants a girlfriend!!! Hook him up Mr. Claus!
- Dale Nelson says "Surprise Me!"
- Trina Dunlap wants a TV and a leather trench coat.
- Joe Duncan says he needs two leather coats and three pairs of Timberlands and....
- Dr. Locklear would really like to have Luther Vandross, Aaron Neville and Barry White sing to her at her house.
- Jamita Griffin wants a new car-preferably one that drives.
- Kevin Henderson wants CDs — lots of CDs.
- Dr. Brian Blount says he isn't choosy bring him whatever you can.
- Dr. Sen says he would love it if you can get his students to class on time but if not then the television station needs more equipment.
- Tony Wallace wants "A little lovin!"
- Stu Robinson wants \$2, a basketball game, and a 12 pack of Michelob.
- Rhonda Barksdale wants what everybody wants — MONEY!!!!

And as for me, Kenyatta Jennings — Well you know me — I WANT IT ALL!!!!

Thanks Santa and don't forget to work some magic in the New Year.

Ramly Love,
WSSU Students and Faculty
