### The Vision

Can you see me?  
 Tall, strong and proud  
 Elegant and eloquent  
 Can you see me?  
 As beautiful as the sunset  
 As mysterious as the night  
 As wise as an owl or  
 An eagle that takes flight  
 Can you see me?  
 Black as five hundred midnights  
 Brown like sugar  
 Sweet like candy or  
 Thick like molasses  
 Oh, only if you could really see me?  
 Bearing fruit as a tree  
 A producer, a forager, the root of all nations  
 Yes, you can see me can't you?  
 I am Woman.

- Queyana C. Woods

### Don't You Want To Know Him !

There's someone who sits on  
 high and gave his very life  
 for you. A person who sees and  
 knows everything that you do.  
 But still has that unconditional  
 love for you.

A person who in the  
 midnight hour when you  
 feel all alone will comfort  
 you. A person who when  
 you're on dangerous highways  
 and byways will protect and  
 watch over you. A person who  
 when you're down to your last dime  
 will supply all your needs. A person  
 who when your friends turn their back  
 on you will support you.

Comfort! Protect! Support!  
 Supply your needs!

Don't you want to know him?

- Kimberly Terry

### So Alone

Can you hear her cries,  
 Or see the sorrow in her eyes?  
 She can't go on this way,  
 Will she make it through another day?  
 The love was deep within her heart.  
 Yes, that's where it all had to start!  
 So, now what is she to do?  
 She's so alone, and feeling blue.

Without that special someone in her life,  
 It's full of sorrow, sadness, and strife.  
 She has so many feelings, unnoticed, deep inside,  
 For so long, so strong, she just can't hide.  
 How can she come out, and show the world  
 her sorrow?  
 She doesn't know if she'll make it until tomorrow!  
 So, what is she to do?  
 She's so alone, and feeling blue.

- Ramona Williams
