## WSSU's Women of spring

At Winston-Salem State, basketball and football get lots of attention. But spring is here, and so is the WSSU women's softball team.

With only a quarter of the season gone as of March 26, the Rams already had racked up a record of 11-9, with one conference win. The Rams will take on the Bethune-Cookman Wildcats on April 12 at 1 p.m. and 3 p.m.

The team boasts three recipients of the WSSU Crown Trophy Female Players of the Week: freshman Bonika Terry and juniors Amber Shore and Whitney Wright. Ten players are returning from last year's roster, and the team has seven new players.
