

# Day for Chowan a Success!

Dr. Jerry F. Jackson, president, left, Mrs. Ann Lee, co-chair for "Day for Chowan," and E. Vincent Tilson, vice president for development, proudly display the sign on the front porch of the Ella Comb Camp President's Home announcing the total at the end of the day. Additional gifts and pledges were received following the buffet dinner.

E. Vincent Tilson, vice president for development, welcomes the large group of volunteers and expresses appreciation for their service to the college prior to the Rev. Ron McSwain giving the invocation at the breakfast.

Enjoying fellowship and food at the victory dinner were, left to right, Mrs. Lynette Bunch, Mrs. Janet Vick, Howard Vick, and Stanley Dixon.

At right, the many volunteers for "Day for Chowan" enjoyed a bountiful "country breakfast" in Thomas Cafeteria prior to making visits for the annual fund-raising campaign.

Friends of the college (above) enjoyed the fellowship at the victory dinner which followed the annual "Day for Chowan."
