

**LONNIE PAYTON NAMED ALL CONFERENCE** — A guard-forward from Greenville, Payton averaged 16.2 points to land a place on the second team Cavalier-Tarheel All Conference Basketball team. Payton just missed making the first team and far outdistanced the other second team selections. He was one of only two freshmen named to the top 10 positions. Payton paced Chowan in scoring and rebounding with a 12.3 average, the leagues third best mark. His return this season is one reason the Braves are expected to be a powerhouse.
