**"REMEMBER"  
FREE NIGHT OUT  
FOR GIRLS**

**SPONSORED BY**

Surfers live differently than other people. They live an unique, carefree life. To a surfer only two things are important: the sun and the surf. This free and easy attitude is depicted in the new, color film "Free and Easy." Let photographers Greg MacGillivray and Jim Freeman take you to Oahu, Maui, Kauai, and California while they creatively illustrate the free and easy life surfers enjoy.
