

# TAR STICK

By DEPARTMENT OF BUILDINGS & GROUNDS

I would like to bring to your attention the following items prior to your departure at the end of the fall semester:

## STUDENTS NOT RETURNING FOR SPRING SEMESTER

1. Your room must be cleared of all your personal belongings.

2. Your room or your portion of the room, must be cleared of all pictures, decals or other items on walls, ceiling, furniture, doors, windows, mirrors, etc.

3. Your room floor must be swept broom clean. All room trash containers must be emptied and your windows closed.

4. You must clear your room with your Head Resident. He will give you a (yellow) Room Check Out Form. (Please lock your door when you leave.)

5. Present your Room Check Out Form to the Director of Housing with your room key.

6. Settle all outstanding accounts before transcript can be released.

7. Complete the Chowan College End of Semester Withdrawal Form. (In the Office of the Director of Housing.)

## STUDENTS RETURNING FOR SPRING SEMESTER

1. If you do not take your personal belongings home, they must be placed inside of your closet or stored on top of your bed. Floors will be swept broom clean and all trash containers emptied. (Your room will be sprayed for insects during the Holiday period.)

2. Your windows must be closed, all electrical appliances unplugged and your door locked.

3. In cases where your roommate will not be returning, please remove all unsightly pictures, etc., and place them in your closet. (This is in respect for the new student and his or her parents that may be coming in at the beginning of the spring semester.) In the event you fail to do this, we will be forced to remove them.

4. Your room will be inspected for cleanliness and damages during your absence. (Do not let your roommate withdraw assuming his or her portion of any damages that may be in your room. You may prevent this from happening by informing your Head Resident of all damages prior to your roommate's departure from the college.)

5. No on campus student will move from his or her presently assigned room prior to the free move period, which will be during the second week of the spring semester. The exact dates will be posted on the bulletin

# Braves Defeat Cougar

Chowan College opened its 1971-72 Basketball season with a victory over Chesapeake College Cougars by the score of 83-78. The Braves were led in scoring by diminutive Randy Michie who connected for 28 points followed by Nat Wright's 22. Mike Oliver came off the bench to score 12 points and was a rebound leader with 9.

The Braves, who were unable to get their offense going satisfactorily, nevertheless, pulled out the victory by holding off a second half surge by the Cougars. Chesapeake had made up a 10 point, 44-34, halftime deficit by out scoring the Braves 28-17 during the first 10 minutes of the second half. Gary Selve's foul shot put Chesapeake on top 62-61, but Chowan quickly tied the score and went ahead to stay, on a field goal by Randy Michie. The Braves pulled out to their biggest lead of 76-70 with 5 minutes left in the game, but a blocking foul on Jackson under the hoop and a technical foul on Wright gave Chesapeake two foul shots and the ball. The losers connected on both charity tosses and converted the ball possession into a field goal to slice the six point - advantage to 76-74. Chowan hung on to a slim 3 point lead until Michie's 2 foul shots with 9 seconds on the clock, and pushed the final margin to 83-78.

The Braves had started fast scoring the first 7 points, but Chesapeake came back on a shooting of Freeman and Maioran to take a 25-20 lead. At this point the Braves blitzed Chesapeake to the tune of 20-4 over the last 8 minutes of the first half for their seemingly comfortable 10 point margin.

board of each dormitory and your Head Resident will be notified.

6. Students now living off campus who desire on campus housing for the spring semester MUST report to the Director of Housing and make their request prior to departure for the Holidays.

7. Students now living at the College Inn Motel MUST report to the Director of Housing prior to their departure for the holidays, if they have not already done so. Your room at the College Inn must be cleared prior to your departure. We will not be using this area during the spring semester.

8. Those rooms in Belk Hall that have mildewed and molded walls will be painted during the Holidays. Please remove all books, papers, pictures, etc., from the walls and shelf area and place them inside your closet or on your bed.

—B.T.V.

**GIRLS' SQUAD**—Members of the 1971-72 Chowan College Girls' Volleyball team are, left to right: Jackie Rose, Kathi French, Ginger DeBerry, Betty Hurdle, Mrs. Janet Collins, coach, Susan Gatewood, Jean Craven, Nancy Sullivan and Barbara Sykes.

**RIGHT**—Members of the junior varsity girls' volleyball team are Rita Daniel, Brenda Noble, Diane Smith, Martha Throne, Debbie Gross, Jan Bishop, Nan Forrester, Judy Higgins and Marti Rothrock.

## Accredited

MIAMI BEACH (AP) — The Southern Association of Colleges and Schools today granted new accreditation to 22 institutions in the South. They included:

Senior colleges: Covenant College, Lookout Mountain, Ga.; Gardner-Webb College, Boiling Springs, N.C.

Junior colleges: Alabama Christian College, Montgomery, Ala.; Aquinas College, Nashville, Tenn.; Clayton Jr. College, Morrow, Ga.; Delgado Technical Vocational Jr. College, New Orleans; Dyersburg State Community College, Dyersburg, Tenn.; Motlow State Community College, Tullahoma, Tenn.; Palmer College, Charleston and Columbia, S.C.

Special purpose institutions: Cape Fear Technical Institute, Wilmington, N.C.; Craven County Technical Institute, New Bern, N.C.; Durham Technical Institute, Durham, N.C.; John A. Gupton College, Nashville, Tenn.; Medical University of South Carolina, Charleston, S.C.; Southwestern Technical Institute, Sylva, N.C.; Tri-County Technical Education Center, Pendleton, S.C.

# Mt. Olive Spills Home Opener for Braves, 78-71

Chowan College opened its basketball season at home on a sour note with Mt. Olive taking advantage of Braves' errors to race to a 78-71 victory Tuesday night, Nov. 30.

Chowan held the lead until the Trojans tied it at 30 with three minutes left in the half. Mt. Olive held a 36-33 advantage at halftime and did not relinquish the lead. The Braves' top scoring threat, guard Randy Michie, was limited to five points in the first half and ended with 16. Chowan was led by forward Nat Wright who scored 22, 12 in the final half.

Chowan narrowed the Trojans' lead to 36-35 to start the second half but Mt. Olive soon pulled away. The second half was marked by aggressive defensive play by the Trojans which caused the Braves to continuously turn the ball over to their opponents. At the same time Mt. Olive used its fast break and accuracy of forward Mike Cherry to open up a 12-point lead with four minutes left. Chowan narrowed the gap to six with two minutes remaining

but the Trojans made two quick baskets for their final points.

Cherry led all scorers with 24 points to atone for a below par performance in a losing cause in the Braves' gym last year.

Chowan will see action in the Frederick Military Academy invitational tournament Thursday and Friday nights competing against the host team, College of the Albemarle and Chesapeake for the title. The Braves defeated Frederick last year to take the crown. One of the members of Frederick's team of last season, guard Pat Callahan of Norfolk, now plays for Chowan. He saw brief action against Mt. Olive and is slowed by injuries to his knees.

## CHOWAN COLLEGE WOMEN'S BASKETBALL SCHEDULE 1971 - 1972

DATE	OPPONENT	LOCATION
<b>JANUARY</b>		
28	East Carolina University	Home
<b>FEBRUARY</b>		
1	Christopher Newport	Away

22	Christopher Newport	Away
<b>MARCH</b>		
5	Virginia Wesleyan	Away
9	Atlantic Christian College	Home

JANET COLLINS  
Girls' Basketball Coach

By GILBERT TRIPP

December, ah December. This is the most prolific month of the year for the hunter. The season is open at some time during the month on all of North Carolina's game except wild turkeys and marsh hens. In the past, we have had a turkey season during the fall and winter months, however, in an effort to help reestablish the turkey populations, the season has been changed to a "gobbler only" spring season.

The rather mild fall and winter that we have had, is putting a delay on the migration of ducks and geese to our part of the State. Reports from some of the local duck hunters say that on most days they have been able to limit out, but that the birds are already becoming decoy and blind shy. I am hoping for some good cold weather between now and Christmas so we will have a good huntable population for the holidays.

It takes more preparations for a duck hunt than any other type of hunting. One can take off and go still hunting for deer or squirrels on short notice but for ducks it is different.

One must prepare a blind or locate a suitable place from which to shoot. The preparation of a blind may take as short a period of time as half-a-day for a shore blind or the better part of a week for a stake blind (one over water). Since it is very expensive and difficult to build a stake blind very few people go to that much trouble. Instead, they construct a shore blind at a likely looking spot or at a point that is known to be a good location. There are several rules that should be followed. First determine the ownership of the property and secure permission to build and use a blind on his property. With permission granted, set out to build the blind with these things in mind. Use only natural vegetation and materials which will blend into the background. Keep it low, and if possible build it at some odd angle so it will not appear to be "box-like." If possible the blind should be constructed before the ducks arrive in the fall. When this is the case the blind appears to be a

natural landmark and the birds accept it readily.

After the blind is built, other preparations must be made. They include accessibility to and from the area to be hunted. The transportation of decoys and a multitude of other "necessities" always creates problems. After all these preparations are complete and the day to hunt arrives it usually turns warm, with a bright sun and no wind, a true "Bluebird Day." I repeat ... it takes preparation!!

North Carolina has two areas of good duck hunting which are open to the public. The area at Bodie Island has twenty blinds that are available by reservation or on a first-come, first-served basis. There is no charge and usually the shooting is good. For more information write to the Chief Park Ranger, Cape Hatteras National Seashore, Manteo, N. C.

The other area is Pamlico Point at Lowland, N. C. This area comes under the Game Lands of North Carolina and requires a \$6.50 permit. The area is reachable only by boat and is open to shooting only on Wednesday and Saturday. The shooting at Pamlico Point is usually excellent for Pintails and Widgeon. For more information write to Clyde P. Patton, Executive Director, N. C. Wildlife Resources Commission, Raleigh, N. C.

At long last the drought is over. After an unbelievable period of two years and two days I was able to bag a buck. I was also lucky enough to get a mountable head. At the taxidermist's in Suffolk, Mr. Williams told me that the deer heads to date were fewer in number and smaller than in previous years. After seeing some of the "small" heads he had on display I almost brought mine back home.

The NRA reports that hunting is by far one of the safest of the participating outdoor sports. While you are home for the Christmas holidays, be careful and don't let a good time turn into a tragedy. Have a safe, enjoyable holiday. December, ah December!!

**BASKETBALL ACTION**—Chowan College opened its home cage season last Tuesday night and were defeated by the Mt. Olive College cagers by a

score of 78-71. Photos above show members of the Braves scoring field goals for the home team.

# BOOKS FOR CHRISTMAS GIVING
