Chowan Lady Braves Win Over A.C.

Cindy Ward's two clutch free throws with just seconds remaining gave Chowan College's basketball team a 62-60 road win over Atlantic Christian College Feb. 3 for the lady Braves' fourth win against one loss.

Chowan had seen a 60-56 lead erased in the final minute. With the score tied at 60, and Chowan in possession out of bounds, an ACC player fouled Miss Ward, freshman guard of Tyner, on the pass. The win was Chowan's first ever over Atlantic Christian.

Chowan's high scorer was Aleph Woodard of Enfield with 22 points. Annette Guyton of Oxford led the team in rebounding with 11.

In other recent action, Chowan's coeds beat another senior college club, North Carolina Wesleyan, 37-26, Jan. 31. Miss Woodard led Chowan with 16 points and 18 rebounds.

After opening with two victories over senior college teams, Chowan suffered its only defeat against Louisburg, 66-43, Jan. 28. The lady Braves trailed by only three, 28-25, at the half. After intermission, Louisburg's man-to-man defense began to wear Chowan down as the Louisburg players scored consistently on fast breaks. Chowan will seek to avenge the defeat in a return game at Louisburg Feb. 10.

Chowan's leading scorers through its first five games, according to Coach Janet Collins, are Miss Woodard with a 14.8 point average and Miss Guyton, averaging 12.4 points. The two are also the team's leading rebounders. Two players are tied with the top field goal percentage: Miss Guyton and Linda Anderson of Greenville, making almost 50 per cent of their shots. Miss Ward has the squad's leading free throw mark, 75 per cent.

Ford Recognizes Women

WASHINGTON (AP) — President Ford's selection of a woman for his Cabinet and Betty Ford's lobbying for the Equal Rights Amendment have won applause from leaders of the women's movement.

However, many of these leaders combined their praise with concern about a wide range of other issues, including the administration's reaction to problems facing women because of the recession.

Frances Farenthold, chairwoman of the National Women's Political Caucus, said Ford's nomination of Asst. Atty. Gen. Carla A. Hills to be secretary of the Department of Housing and Urban Development "shows he understands the importance of including women in decision-making positions in his administration."

Similar expressions of approval came from Ruth Clusen, president of the League of Women Voters, and Karen DeCrow, head of the National Organization for Women.

Other leaders of women's groups noted that Ford recently named Betty Southard Murphy to be the first woman member of the National Labor Relations Board. Mrs. Murphy also was named NLRB chairman.

Mrs. Farenthold said the Hills-Murphy appointments represented "the gate-crashers, the ones at the top — but that's not where most women are today."

"Any time you get a recession, the hardest hit are still going to be women," she said. "We still have that 'last hired, first fired' practice. And the elderly are disproportionately women, too, and these groups are just being devastated now."

Ms. DeCrow, who prefers the designation Ms., said the Ford administration "has been saying the right things" but that she is looking for evidence that the administration is enforcing federal regulations banning job discrimination.

Chowan Braves Win Over Lenoir

Bonnie Harrell "It depends upon the relationship between two people whether it is right or wrong."

Chowan College exploded to erase a five-point halftime deficit and race to a 106-78 win over Lenoir Community College in a non-conference basketball game here Saturday night, Feb. 8. The Braves' record is 16-6 and Lenoir's 6-20.

Chowan trailed at the end of the first half, 47-42. After intermission the Braves repeatedly turned steals and rebounds into fast breaks resulting in scores. Reserves, twins Bobby and Billy Martin, excited the fans with their play at guard, which was almost flawless. When they entered, Chowan led by 10. Their steals, passing and shooting soon shot Chowan into a 20-point plus advantage. In a brief span, Billy scored 13 points with Bobby helping his teammates with assists.

Forward Thomas Gentry led Chowan with 18 points as seven Braves scored in double figures.

Louis Saunders "Well, I feel this way about it."
