

Students Responsible For 1974-75 Policy Changes

As a result of the information returned to Dean Lowe by the faculty early in the current semester, a number of changes were made in policies affecting student life. One can assume that through cooperation between administration and students these compromises were able to be made.

1. In lieu of the present pro-rate policy, effective with the next academic year each student will be assessed a \$10.00 Contingency-Key Fee, and or all of which may be refunded upon return of the room key and deductions for damages. Of course, any student found to have vandalized college property will be assessed appropriate damages immediately.

2. Curfew for female students was extended to 1:00 a.m. each night of the week. This change became effective, based on parental approval, immediately after the spring break in the current semester.

3. The \$1.00 Yearbook Sitting Fee, normally assessed each student at the beginning of the fall semester, has been eliminated.

Art Exhibition In Art Gallery

By PHIL ROYCE

The Chowan College art faculty has selected 97 works by 52 students for the Annual Student Art Exhibition in the art gallery in Daniel Hall. The show will remain up through graduation May 18.

Included in the work by Chowan freshman and sophomore art students are oil paintings, graphics, line drawings, commercial art, and ceramics. The selections were made from 322 entries by the students.

J. Craig Greene, director of Chowan's division of art, said he was "very pleased with the work." "We have noticed an increase in skill and maturity of subject matter. Much of it relates to works of old masters. The work demonstrates the searching of a young creative mind on a pre-professional level. Most of the works are for sale at very reasonable prices," Greene noted.

The exhibition may be viewed from 9 a.m. to 5 p.m. daily except Sunday.

4. The bicycle registration fee has been eliminated, but for security reasons students will be encouraged to register bicycles.

5. Mr. Sutton has worked with the Cafeteria Committee relative to student complaints about the cafeteria. Many of these complaints centered around the conduct of students and general uncleanness.

6. The recreational area of Green Hall is operational again following an earlier vandalism of snack machines, games, and the juke box.

Spanish Taught During Summer Session

The Department of Foreign Languages will be offering a special concentrated course this summer. The entire first year of Spanish, Spanish 101 and 102, will be covered in an intensive eight week session. The sequence will carry six semester hours credit, just as it does during the regular school year. The advantage of such a program is that the student is able to devote a much larger portion of his effort to a single subject area during a relatively short period of time, eliminating some of the retention problem faced in the nine month school year. For many people interested in learning a foreign language, the intensive approach increases the impact of the language on the student, and may increase the period of time the language can be remembered. Those interested in trying the approach themselves — while improving their degree options — should contact Mrs. Betty Batchelor who will be teaching the course.

1975-76 WRA Officers

Lisa Dabney, President; Cindy Ward, Secretary; Vicki Ashburn, Terry Jenette, Intrafraternal Co. Chairman; Mary Gooch, Carol Bean, Robin Lewis, Annette Guyton, Special Events.

Treasurer; Melanie L. Chamberlin, Historian; and Lisa Gene Dabney, Social Co-Chairman. Not pictured is David W. Hagerly, Social Co-Chairman.

Instruction in Football and Cheerleading Part of Chowan Summer Program

By PHIL ROYCE
Instruction for football players and cheerleaders will be part of Chowan College's summer program which includes workshops in leadership, music, and photography.

The Golden Eagle Cheerleader School, operated by Youth Camps, Inc. of South Hill, Va., will hold two camps, June 11-14 and July 11-14, for junior and senior high school students.

The Braves Football Camp, July 20-25, will be headed by college and high school coaches. The instructors include San Francisco 49er running back, Sammy Johnson, former University of North Carolina player, and other National Football League players.

Registration is open to boys from 8-18 including rising high school seniors. Basic fundamentals will be stressed including running, passing, receiving, and kicking. Offensive and defensive fundamentals will be a daily routine at the week-long camp.

The workshops include one for

high school student council leaders and club presidents June 30-July 2. The program includes parliamentary procedure, publications, and public relations.

A music string workshop, "Summer Strings on the Meherrin," will be offered June 15-21 for elementary classes and June 15-July 5 for advanced classes. The workshop is sponsored by Chowan's fine arts department headed by Dr. James

Chamblee. A three-day photography workshop will also be offered by Chowan's School of Graphic Arts, according to Herman Gatewood, chairman. Subjects include working with existing light, flash and incandescent lighting, and darkroom techniques. Additional information about any of the programs may be obtained by contacting Earl Dilday, director of summer programs at Chowan.

TENNIS

Braves Finish With 7-7 Record

Chowan's tennis team has ended the regular season with a 7-7 record.

The Braves finished fourth in the conference with a 4-6 record. Ferrum, 10-0, won the championship without losing a set and is heavily favored to capture the tournament this weekend, stated Coach Bill McCraw.

Chowan's number three player, sophomore Cliff Williams of Aurora, paced the Braves with a 11-3 record. Also finishing with winning marks were sophomore David Hudson of Charlotte, the number four player, 9-4; and sophomore Gary Burton of Richmond, Va., number six, 4-2.

Chowan's number one and two players, sophomores Tom Corey of Roxobel and Don Garletts of Charlottesville, Va. respectively, had 7-7 records. Freshman Danny Waldron of Chesterfield, Va. was 6-6.

Williams and Hudson had the most successful conference records. Williams won eight of 10 and Hudson five of six.

In doubles, the number three team of Burton and Waldron led

the Braves with a 5-1 mark. The other doubles combinations were Garletts and sophomore David Marshall of Cambridge, Md., number one; and Corey and Williams, number two.

Chowan was the only team besides Ferrum to hand Louisburg, second in the league with 7-3, a conference loss. The Braves did it when Hudson and Waldron, not usually doubles partners, won the deciding match for a 5-4 victory.

For the first time, women are members of a varsity team previously comprised entirely of men. They are freshmen Lisa Dabney of Staunton, Va. and Pat Poole of Norfolk, Va. Rounding out the team is freshman Steve Gegg of Aurora.

TRACK

Second Place In Region 10

Chowan College's track team managed only one first but placed in 14 of 17 events to capture second place in the Region 10 meet April 22.

Perennial champion Brevard scored 108 points to 54 for the Braves. Wingate was third with 46 followed by Ferrum, 30, and Lees-McRae, 22.

Ted Williams of Moncks Corner, S.C. and Charles Covington of Troy paced the Braves. Williams ran a leg on the 400 relay team which finished first in 43 seconds. He was also second in the 100 and 220. Covington was second in the high jump and long jump and fourth in the triple jump.

Other Braves placing second were Robert Williams of North Garden, Va. in the 800, and Charles Costin, Warsaw, Javellin.

Braves captured four thirds, Milton Howard of Tarboro, 100; Larry Holbert, Virginia Beach, 220 and 440; and Mike McDaniel, Raleigh, pole vault. Chowan was third in the mile relay behind Thomas Nixon of Rocky Point, Tim Grant of Windsor, Va., Holbert, and Robert Williams.

Placing fourth for Chowan were Tom Carella of Elmhurst, N.Y. in the mile, and Charles Washington of Hampton, Va. in the 120 high hurdles.

Braves taking fifth were Thomas Nixon, 440; Grant, 440 intermediate hurdles; and Howard, 220.

Other members of the winning 440 relay team, which set a new school record, were Holbert, Howard, and Alton Tillery of Tarboro.

Chowan, the Cavalier-Tarheel champions, finished the regular season with a 4-1 record.

Dr. and Mrs. Bruce E. Whitaker and Queen of Spring, Faith Oakley and Escort.

STUDENTS!

NEED TO IMPROVE GRADE POINT RATIO?

Want To Take The Ultimate Trip?

Ever wonder why the sky is blue?

If the answer to either of the above questions (or any question you may ask) is yes, take

PHYSICS 101-102 this summer.

We must have ten students to offer the course, so please sign up and pay your money (Ah! Life's little Realities!)

By May 1, 1975.

Class: 8-10 M-F
Lab: 10-12 M-TH (with some days off)
Field Trips: The physics of sailing, aboard instructor's 14ft. O'Day (Optional)

GOLF

Chowan Wins Four Straight

After losing its first four matches, Chowan College's golf team has reversed form and won four straight contests.

Ferrum was a victim twice. The Braves defeated the Panthers 325-333 to begin the streak. Chowan followed with defeats of College of the Albemarle, 310-328; Mt. Olive, 309-310; and Ferrum, 319-323.

Coach Jim Garrison said the Braves played outstanding golf to upset Mt. Olive on its home course. He said sophomore Paul Thomas of Bethlehem, Pa. and freshman Vic Kazmarski of West Point, Va. have been Chowan's medalists and played the most consistently.

With its 4-4 record, Chowan is fourth in the conference. Garrison said "everybody will have to play real well" if the Braves are to finish high in the conference tournament April 28-29 at the Ground Hog Mountain Golf and Country Club near Hillsville, Va. The favorite is undefeated Sandhills.
