## 1975 Goober Bowl a Successful Event for Shriners

Shriners from Wilmington, Fayetteville, Kingston, New Bern, Durham, Burlington, Elizabeth City, Manteo, Roanoke Rapids, Williamston, Ahoskie, Murfreesboro and other eastern North Carolina communities crowded the streets of Murfreesboro Saturday to participate in the first annual Goober Bowl. The event was sponsored by the Hertford County Shrine Club and all proceeds from the days activities were donated to help support the Shriners 22 hospitals for crippled and burned children.

A beautiful fall day added just the right touch to an exciting and eventful day.

The days activities started out with the Chowan Tennis Team facing a tough rival in Lees-McRae. Lees-McRae has a very powerful team this year and

began the process of ruining the day by dumping Chowan 9-0.

Following this was the Murfreesboro Shriners Parade at 1 p.m. The parade had to be one of the finest Murfreesboro has seen in a long time. Talent for the parade was supplied by the Shrine Units from the Sudan Temple. Among the participants were several motorcycle units, a horse patrol, a number of bands and of course the clowns.

Then came the darkest moment of the day, Mr. Phil Royce reports on the football game:

Lees-McRae won the first Goober Bowl game, defeating Chowan College 17-16 on the Braves' field Saturday afternoon.

But the Braves just missed snatching victory from defeat in one of the wildest finishes seen in Chowan Stadium.

The Bobcats had wrestled the lead from Chowan on two fourth-quarter scores by fullback I.V. Reeves. The first following a fumble by Chowan at its 30 and the second after Lees-McRae blocked a punt at Chowan's 14. Reeves' first score left Lees-McRae trailing 10-9. Flanker Wardell Johnson took the pitch out and raced around right end for the two points and 11-10 lead. The second score and extra point upped the visitor's margin to 17-10.

Reserve quarterback John McConnell of Williamsburg, Va. found flanker Bingley Hannah with a 40-yard pass to the Bobcats' nine to give Chowan new life. With 28 seconds left in the game, Mike Bocock replaced McConnell. His first three passes were incomplete. With three seconds left, he started the

game's final play. He fired the ball to Steve James and the wide receiver caught it in the endzone after the horn sounded. The Braves' fans, including many Hertford County Shriners, sponsors of the Goober Bowl, roared their approval.

On the try for the two points, Bocock handed off to another quarterback, Randy Shumaker with a special play from Head Coach Jim Garrison. He threw it toward James who was closely defended. A Bobcat intercepted to end the Braves' chance for an upset win.

Before Lees-McRae's two fourth-quarter touchdowns, the Braves had limited the Banner Elk players to a first quarter field goal. The Bobcats entered the game averaging 240-yards rushing but Chowan's defense ignored these statistics. For the

fifth straight week, though, Chowan's opponent scored first when Rudi Volz kicked a 36-yard field goal late in the first quarter.

Chowan took the lead on an 84-yard second period drive with quarterback Jeff Dean passing 11 yards to running back Rayford Petty for the six points. William Hinton kicked the extra point and then added a 27-yard field goal in the third quarter for a 10-3 lead. This held up through a scoreless third quarter and well into the fourth quarter.

Three quarterbacks completed 13 of 27 passes to give Chowan its best passing attack of the season. James caught five for 61 yards and one touchdown and tight end Mike Moran and Petty three each. Petty scored once.

On defense, linebacker Craig Vosler was in on 15 tackles and linebacker Tony Harris, 14.

Defensive backs John Hruniuk and Ted Williams each intercepted once for Chowan.

Chowan is now 0-5 and 0-4 in the Coastal Conference. Lees-McRae won its first conference game against two defeats. The Bobcats are 3-2 overall.

Chowan plays its homecoming game Saturday at 1:30 p.m. against Hudson Valley Community College of Troy, N.Y. Hudson Valley is led by one of the conference's finest quarterbacks, John Maggio. The New Yorkers own a 19-12 win over tough Wesley College.

### Title III Grant Program Assists Higher Education

By MR. EARL DILDAY  
Coordinator

Title III Program

What is Title III?

The purpose of a Title III grant is to assist developing institutions of higher education which demonstrate a desire and potential to make a substantial contribution to the higher education resources of the nation.

There are two programs of participation: (1) Basic Institutional Development Program (BIDP), the program in which Chowan College is now participating; (2) Advanced Institution Development Program (AIDP).

There are two types of BIDP participation: (1) Consortium; (2) Bilateral — Chowan is in a bilateral participation program with Duke University as the assisting, developed institution. Chowan is one of four colleges in southeastern United States assisted by Duke University.

Amount of Institutional Development Program Grants (Nationwide) — In 1975-76 Congress appropriated \$110 million (\$52 million in the BIDP and \$58 million in the AIDP. The 1976-77 appropriated dollar amounts are the same as 1975-76). In 1975-76 fiscal year (July 1-June 30), the BIDP grants ranged from \$100,000 to \$1 million with the average grant being \$252,000. Chowan received a \$100,000 grant for fiscal year 1975-76.

Grants are awarded on a competitive basis with institutions of higher education submitting proposals each year. Grants are given on a year-to-

year basis with no guarantee of refunding.

Grant Statistics — In 1975, 490 applications for BIDP funds were submitted; 207 grants proposals were funded; 136 were four-year institutions and 71 were two-year institutions; 211 applications were from two-year colleges with 71 colleges funded; Chowan was one of 20 new funded institutions in 1975-76.

BIDP Administrative set-up at Chowan (in funded areas): (A) Project Director is Dr. B. Franklin Lowe, Dean of the College.

(B) Administration — Mr. Earl Dilday, Coordinator; Miss Linda Hassell, Part-time Secretary.

(C) Strengthen Admissions and Recruitment Program — Mr. Mark Hurst, Admissions; Mrs. Nancy Hazelton, Secretary.

(D) Faculty Development — to establish a Faculty Advancement Study Fund to enable faculty members to pursue additional graduate studies during the summer months in order to maintain a strong academic program in order to be of greater service to students.

(E) Improvement of Student Services: Mrs. Ruth Kelly, Guidance Counselor; Mr. Steve C. Nelson, Supervisor of Student Center and Student Activities (including men's intramural activities and coaching wrestling).

(F) Office of Institutional Research, Mr. Rowland Pruette, Director; Miss Linda Hassell, Part-time Secretary.

How does it affect our students?

The Title III program, as approved and funded by the Office of Education of the Department of Health, Education, and Welfare, is designed to assist Chowan in providing greater service in all areas of student life, academically and socially. Students are encouraged to use the services of all Title III offices and to submit suggestions for improvements and advancements in these areas. Used properly, the Title III program will aid greatly in providing worthwhile educational experiences for students and will move Chowan further into the mainstream of higher Education.

### Champion Palomino Stallions Enter Homecoming Parade

By DEAN LEWIS

"We will be showing two palomino stallions, one of which is the 1973 National Performance Champion. Another one is doing very well on the Show Circuit and we have high hopes that he will be a National Champion by the time of the Parade," wrote Charles D. Minter of Carolina Farms, Route 14, Box 176, Lexington, North Carolina, when accepting an invitation from Dean Clayton Lewis to participate in the Chowan College Homecoming Parade scheduled to begin from

Jones Drive at 10:00 a.m. Saturday, October 18, 1975.

Mr. Charles D. Minter is president of the Atlantic Paso Fino Horse Association. The organization bands together owners and breeders of Paso Fino horses in North Carolina, Virginia, Maryland, South Carolina, Tennessee, Georgia and Alabama.

Paso Fino horses have an interesting history. The Moors invaded Spain in 711 and brought with them Arab and Barb horses which were crossed with coarse native stock and the proud An-

dalusion breed that dated back to the Middle Ages. Columbus brought 20 stallions and 5 brood mares from the Spanish Provinces of Andalusia and Cordoba to the New World on his second voyage. The progeny of these hardy horses spread through the Caribbean as the Spanish took more and more territory. They were taken to Puerto Rico, Cuba and Mexico. Horses with a smooth riding gait began to emerge. They now belong to a breed known by the name of its natural gait — Paso Fino.

## Grant Program Established For North Carolina Students

The North Carolina Legislative Grant program was created by the 1975 General Assembly of North Carolina to provide tuition assistance to resident students attending eligible private colleges and universities located in the State. The program is administered by the North Carolina State Education Assistance Authority pursuant to the Act and Regulations adopted by the Authority. Each participating eligible institution administers the program for and on behalf of the eligible students it enrolls. Funds for the support of the tuition grant are contingent each year upon the appropriations made available by the North Carolina General Assembly.

**GRANT AMOUNTS AND CONDITIONS**  
Maximum-Per Year is \$200.

The above maximums are subject to the available appropriations in that a lesser amount may be established as the maximum if the appropriation provided by the General Assembly is inadequate to support to the statutory maximum the total full-time North Carolina undergraduate enrollment in ALL approved institutions at the time of enrollment certification. Eligible students who enroll in an approved institution at a time later than the normal fall term of an academic year will be subject to a per term award maximum governed by the remaining unencumbered appropriation available for the NCLTG program for the academic year for which the application is made. Payments are made by the Authority directly to the approved institutions on behalf of and to the credit of each eligible student certified by the institution and invoiced by the institution to the Authority.

**ELIGIBILITY**  
To qualify for a North Carolina Legislative Tuition Grant award, a student must:

(1) be a resident of North Carolina for the purpose of tuition payment under the terms and conditions of the Residency Manual of The University of North Carolina, and

(2) be enrolled full time as an undergraduate student in a North Carolina private college or university as defined in G.S. 116-22(1), and

(3) be certified to the Authority by an approved institution as to eligibility and enrollment as defined in the Regulations of the program.

**GRANT AMOUNTS AND CONDITIONS**  
Maximum-Per Year is \$200.

The above maximums are subject to the available appropriations in that a lesser amount may be established as the maximum if the appropriation provided by the General Assembly is inadequate to support to the statutory maximum the total full-time North Carolina undergraduate enrollment in ALL approved institutions at the time of enrollment certification. Eligible students who enroll in an approved institution at a time later than the normal fall term of an academic year will be subject to a per term award maximum governed by the remaining unencumbered appropriation available for the NCLTG program for the academic year for which the application is made. Payments are made by the Authority directly to the approved institutions on behalf of and to the credit of each eligible student certified by the institution and invoiced by the institution to the Authority.

**ELIGIBILITY**  
To qualify for a North Carolina Legislative Tuition Grant award, a student must:

(1) be a resident of North Carolina for the purpose of tuition payment under the terms and conditions of the Residency Manual of The University of North Carolina, and

(2) be enrolled full time as an undergraduate student in a North Carolina private college or university as defined in G.S. 116-22(1), and

Payments are made on a school term basis. NCLTG awards are not available for summer school terms.

**DEFINITIONS**

**ELIGIBLE STUDENT** means a resident of North Carolina with respect to tuition payment who is enrolled in an undergraduate program on a full-time basis at an approved institution in North Carolina at the time of certification by the institution as provided by the Regulations and who meets the requirements of G.S. 116-22(2) and all other eligibility requirements of the Regulations.

"Students" shall mean a resident of North Carolina in accordance with definitions of residency that may from time to time be adopted by the Board of Governors of the University of North Carolina and published in the residency manual so said Board; and a person who has not received a bachelor's degree, or qualified therefor, and who is otherwise classified as an undergraduate under such regulations as the Board of Governors of the University of North Carolina may promulgate. (G.S. 116-22(2))

Legal Resident of North Carolina means a citizen or

permanent resident of the United States who is domiciled in the State of North Carolina pursuant to the meaning of such term as defined in the RESIDENCY MANUAL of The University of North Carolina. The test of residency which shall apply with regard to North Carolina Legislative Tuition Grants shall be residency for the purposes of the payment of in-state tuition rates at public supported postsecondary institutions.

**MINIMUM ACADEMIC LOAD** (full-time student) means at least twelve semester, quarter, or trimester credit hours per school term.

### Oops!!!

The Staff of the Smoke Signals wishes to add a name to the Honor's List that was published in the last issue of Smoke Signals. Mr. Anthony O. Obob's name was left off because at the time the list was made up there was a grade outstanding. Thank you.

### Princess Anne To Perform Homecoming

Members of the Princess Anne Sr. High School Marching Band, 145 strong, will present the half-time show at the homecoming football game scheduled for October 18, 1975. The Princess Anne Band, under direction of Ronald Collins, has performed many times at Chowan College. "We are particularly pleased Princess Anne will be with us this year for homecoming," said Dean Lewis. "A conflict in dates for the past two years prevented Princess Anne's being with us for the past two homecomings," added Lewis.

Edwin M. Barton, Band Director of the Franklin High School Band, accepted an invitation to perform on November 15 when Chowan plays the Special Forces of Fort Bragg. The half-time show on Parents' Day will be presented by Rose Senior High School of Greenville.

### Steichen Society Meeting

For those students interested in photography, there will be an organizational meeting of the Steichen Photographic Society on Monday, October 27 at 7:00 p.m. in the basement of the Graphic Arts Building.

### Baptist Student Union Coffeehouse Organized

By RICHARD YOUNG

About three weeks ago something new was started on the Chowan Campus, and it is catching on great. It's the BSU Coffee House, and is held every Thursday at 8:00. The Coffee House program is split up into three different programs, which rotate so that a certain program only occurs every third week. These programs are Movie Night, Talent Show Night, and Game Night. The Coffee House is held in the lounge of the Askew Building.

A new paint job and a refreshment counter have just been added to help its looks, and, to give it a coffee house atmosphere, tables with candles are provided for seating. Also for

the Coffee House, a stage has been built. Refreshments such as popcorn, potato chips, cookies, soft drinks, and hot chocolate are sold at a reasonable price. General admission for the program is 25c for Talent Show Night and Game Night, and 50c for Movie Night.

This Thursday night is scheduled to have a Talent Show night, which seems to be our biggest success. This program is open to any Chowan students who have a talent and would like to perform. Such performances as singers and musicians have occurred, but talent is not limited to music. If you would like to perform, contact Wanda Byrum or Richard Young.
