# Parking Regulations

## Tickets

Persons receiving two parking tickets for the same offense will be required to come to the office of the Chief Security Officer and offer an explanation for his-her inability to comply with parking regulations.

When a person receives a total of three tickets, his-her car will be towed away. The owner will be expected to pay for the parking violations as well as the wrecker fee.

Citizens receiving the fourth ticket will appear before personnel deans and the Chief Security Officer for a hearing. Such offenders should expect to have their privilege of registering a car with the college (having a car on campus) denied.
