

Wanted:

Students to Serve on College Policy-Making Committees

Committee On Committees: Function: to recommend to the President of the college faculty and staff who will serve on committees. Dean of the College, Chairman, Dean of Students, Vice Chairman, Collins, J., Greene, Pruette, Eason, Sexton, Cross, Dewar, Gatewood.

Academic Affairs Council: Function: liaison among the various committees on academic affairs, these committees and the faculty-administration; composed of the chairmen of the following academic affairs committees: Admissions, Curriculum, Certification, Class Absences, Scholarship, Honors, Library, Athletics, Graduation, and the Faculty and Staff Fund. If the chairman of a committee is the chairman of the Academic Affairs Council, the vice chairman of that committee will serve on the Academic Affairs Council. Dean of the College, Chairman, Faile, Vice Chairman, Chamblee, Garrison, Dewar, Batchelor, Wolfskill, Nicholson, Sexton, Wallace.

Admissions: Function: to examine qualifications for admissions of student applications and to recommend policies for admission. Dean of the College, Chairman, Faile, Vice Chairman, Chamblee, Garrison, Dewar, Batchelor, Wolfskill, Nicholson, Sexton, Wallace.

Curriculum: Function: to have a general oversight of all things related to course offerings; pass on all matters pertaining to change in the present course offerings; and will continue to study the field of curricula in order to drop outdated courses and to add needed new courses. Dean of the College, Chairman, Chamblee, Vice Chairman, Department Heads.

Certification: Function: to work with the Registrar on certifying those students to be awarded diplomas and degrees. Dean of the College, Chairman, Nicholson, Vice Chairman, Department Heads.

Class Absences: Function: to work with the Registrar in excusing student absences and to recommend and administer rules

and policies concerning class absences. Sexton, Chairman, Nicholson, Vice Chairman, Eason, Eubanks, Harris, Wallace, Parker, McAllister, Student Members: two sophomores and one freshman.

Scholarship: Function: to study financial and scholarship needs of the students, and to decide the awarding of such aid as is available. The Committee will also explore the field of competitive scholarships. Dean of the College, Chairman, Dewar, Vice Chairman, Sutton, Collins, Collier, Cross, Hazelton, Wallace, Coggins, Greene, Three Student Members.

Honors: Function: to approve students who are eligible for awards. Members are to be appointed by the President and names are to be kept anonymous.

Library: Function: to work with the Librarian toward improving the atmosphere, use, content, and availability of library materials. Wolfskill, Chairman, Head Librarian, Vice Chairman, Whitaker, Edwards, New Math Professor, Paul, Ferguson, Sexton, Felker, Coggins, Chamblee, Jackson, Tripp, Three Student Members.

Athletics: Function: to develop an athletic program in keeping with sound educational practices so as to encourage support of this program. Garrison, Chairman, Sowell, Vice Chairman, Ferguson, Simmons, Brown, Wilcox, Nelson, Royce, Collins, Dilday, Crouch, Three Student Members.

Graduation: Function: to plan and implement plans for graduation exercises. Wallace, Chairman, Barnhill, Vice Chairman, Nicholson, Brown, Cross, Royce, Chief Security Officer, Hurst, Gatewood, Hassell, Mulder, Parker, Three Student Members.

Faculty-Staff Fund: Function: to provide remembrances through flowers and otherwise among the Chowan College Family and immediate families. Batchelor, Chairman, Gray, Vice Chairman, Edwards, Cross, Pruette, Ruffin.

Student Affairs Council: Function: Liaison among the various committees on student affairs, these committees and the faculty-administration; composed of chairman of all student affairs committees, with the Dean of Students as chairman of the Council. This committee will consist of chairman from the following committees: Chapel-Assembly, Faculty-Student Relations, Judiciary, Clothing and Etiquette, Publications, Intramurals, Hospitality,

Events, and Health. If the chairman of a committee is the chairman of the Student Affairs Council, the chairman of that committee will serve on the Student Affairs Council. This committee shall serve in an advisory capacity to the Dean of Students. Dean of Students, Chairman, Gatewood, Vice Chairman, Taylor, Hassell, Mulder, Wooten, Collins, Sutton, Wright, Hazelton, Jones.

Judiciary: Function: to act upon any disciplinary problems referred to the committee and to enforce established college policies and rules concerning student life. Wooten, Chairman, McKeithan, Vice Chairman, Associate Deans of Students, ex officio members, Sexton, Gosnell, Emery, Harden, Wallace.

Chapel-Assembly: Function: to plan, improve, and supervise chapel and assembly programs. Supervise attendance. Taylor, Chairman, Mulder, Vice Chairman, McCraw, Crouch, Eason, Middleton, Parker, Dewar, P. Three Student Members.

Housing: Function: to review and recommend residential living for both men and women. Hassell, Chairman, Tripp, L. Vice Chairman, West Hall Head Resident, Baker, Hawkins, Student Members: Presidents of Belk, Jenkins, West, Mixon, East, Parker, Vann, Winslow, Harris, J. P., and Campus Security Officer.

Cafeteria: Function: to work with the manager to improve conduct, the atmosphere and appearance of the cafeteria. Sutton, Chairman, Lewis, Vice Chairman, Simmons, Wright, Sowell, Associate Deans of Students, Student Members: President of SGA, One representative from each dormitory.

Clothing and Etiquette: Function: to recommend policies concerning student dress. Jones, Chairman, Harris, G., Vice Chairman, Ruffin, Dewar, J., Dean of Students, Associate Deans of Students, Wilcox, Jackson, New Math Professor, Mixon, Three Student Members.

Publications: Function: to assist in the planning and production of student publications. Gatewood, Chairman, Royce, Vice Chairman, Parker, D., Sowell, Batchelor, Nicholson, Student Members: Editors of Chowanoka and Smoke Signals, McAllister.

Intramurals: Function: to review and promote intramural activities for the college community. Collins, J., Chairman,

Nelson, Vice Chairman, Collier, McCraw, Collins, C., Whitaker, E., Sexton, W., Three Student Members.

Hospitality: Function: to promote a receptive environment among the students, faculty, personnel, and guests on the campus of Chowan College. Pittman, Vice Chairman, Edwards, Crouch, Royce, Barnhill, Jones, Landing, Baker, Three Student Members.

Health: Function: to promote mental and physical well-being among the students, faculty, and personnel of Chowan College. Wright, Chairman, Collins, C., Vice Chairman, Faile, Elliott, Winslow, Felker, Thompson, Three Student Members.

Student Activities: Function: to plan with students for recreational and other extracurricular activities, including supervised use of the Student Center. This committee shall plan for activities connected with Homecoming (parade and court), Parent's Day, and the Spring Festival. Lewis, Chairman, Nelson, Vice Chairman, Taylor, H., Royce, Paul, Hassell, Winslow, Mulder, Collins, J., Dewar, P., Greene, Brown, Student Members: SGA President, SGA Social Co-Chairmen, two additional students.

Faculty-Student Relations: Function: to provide a forum for grievances from students and to make recommendations through appropriate channels. Hazelton, Chairman, Pruette, Vice Chairman, Collins, C., Jackson, Wolfskill, Tripp, G., Paul, Student Members: All SGA Executive Officers, three additional students.

A Review

Castor Serandes Scope

An exciting Saturday night was just what it turned out to be when Norfolk State College planned a homecoming dance and show at Norfolk's Scope.

Jimmy Castor the Star of the Boggie concert performed before less than capacity crowds, but with all the affects and versatility that a performer such as he, can display. With his band he sang some of his older recordings such as 'Super Sound', 'Potential' and 'King Kong', which created an excitement with a gorilla on stage.

In his latest album "The E-Man," he performed exceptionally well displaying his versatility by singing 'E-Man' and 'Dracula', which climaxed his act by having a vampire slowly arise from a velvet lined casket on stage only to be driven away by a shining cross which was held by Jimmy Castor.

The show began with 'Hot Cakes', one of Tidewaters most promising bands on the rock-soul music scene. Because of the fact they are not gaining the recognition that they so greatly deserve.

There were long space gaps between groups indicating that the show was not well planned. When the changing of equipment became lengthy, the audience became restless and many walked the floor which had no seats (allowed for festival seating).

The Bar-Kays, formally a back up group for vocalist Issac Hayes, gave an impressive version of 'Take you Higher' an oldie by Sly and The Family Stone. The crowd became thrilled and danced readily when 'Do it Till Your Satisfied,' a song that stayed on the top charts for weeks was performed. They're latest song 'Do the Bump,' which the crowd patiently awaited, was saved for the last finale but was done with style.

Also appearing in this show was Ramsey Lewis performing a new version of his latest album 'Salongo'. The crowds would have enjoyed it all the better if his contemporary jazz tunes were shortened, though 'Sun Goddess', 'Spider Man', and 'Salongo' were enjoyed the most. The show proved to be a hit for all those who turned out.

Faculty-Student Relations Has Lengthy Meeting; Many Topics Aired

The Faculty Student Relations Committee met on October 13, 1976, 7:30 p.m., in Camp Hall, Room 210. Members present were: Gilbert Tripp, Charles Paul, Ken Wolfskill, Rowland Pruette, Cliff Collins, George Hazelton and Marianne Jackson. Student members present were: Dave Leber, SGA President; Betty Moores, treasurer of SGA; Sue Gertin; Richard Greene, and Fred Midget.

A correction to the minutes was made by the secretary. Mr. Tripp was present at the September meeting but his name did not appear in the minutes.

The chairman then presented to the committee several memos written in response to remarks and questions written in the September minutes.

The matter of the SGA Bulletin Board was discussed. A memo from Dr. Whitaker related to the committee the fact that the bulletin board by the cafeteria door was put up for use by the SGA.

Student members then voiced their displeasure with the location of the cafeteria bulletin board. The present locations is bad because if one reads the items on the board they would get hit by the cafeteria door.

The committee suggested the students look into the possibility of having the bulletin board moved to a better location. A motion was made and seconded that the students ask Mr. Hassell to move the bulletin board to a suitable place agreed to by Mr. Hassell and the SGA President.

The chairman read another memo concerning SGA bulletin boards from Mr. Hassell to Dr. Whitaker. This memo stated that an aluminum constructed bulletin board with 3 large sections was bought for the SGA. This board is free standing and is

portable. This bulletin board is located in the student center.

The students present were not aware that this board belonged to the SGA. They had however investigated and found the bulletin board locked. The committee suggested the students get in touch with Mr. Nelson.

The chairman then reviewed a memo from Dean Lewis concerning the length of time it takes to repair Parker elevators. Dean Lewis' memo stated that: 1) The college does have a monthly service contract on elevators, this means they are serviced each month. 2) When one elevator is inoperable and one is functioning, the elevator repair service is not notified, the reason is to avoid expense in mileage and time. 3) When both elevators become inoperable, the repair service is notified.

Dean Lewis said that damage is done to the elevators when students press the "Emergency Stop" button to skip floors.

The students agreed that the elevators had been repaired and were operating at this time. They also agreed with what Dean Lewis stated as the cause of damage done to the elevators by hitting the "Emergency Stop" button, but they could not give any suggestions as to how this problem could be solved.

A memo from Mr. Hassell to Dr. Whitaker was also read by the chairman concerning the elevators. Mr. Hassell indicated that repairs had been made twice, approximately a month after school started.

The same memo from Mr. Hassell stated that it was true that only two TV's were operating in men's dorms. He then said that 3 new TV's were purchased and placed in service on the 13 of September.

The chairman read a final

memo from Dean Lewis to Mr. Sutton and Mr. Deskins bringing to their attention the concerns of the students regarding unlevel cafeteria tables.

Mr. Hazelton told committee that Dean Lewis had sent a memo to Dean Winslow about the problem of breaking line in the cafeteria. Dean Lewis asked Dean Winslow to work with the hosts and hostesses to stop some of the line breaking problem.

Three student members of his committee said there had been no change in the breaking in line situation.

Mr. Tripp said he would be responsible for reproducing copies of all the campus committees and committee chairmen and give each SGA member a copy of these committees.

Students asked for suggestions on appointing students to the various campus committees. It seems that only a few students will volunteer for committee positions.

It was suggested by the committee to have the SGA president submit a list of committees, their functions and the chairmen to the Smoke Signals to be placed under the heading of "Wanted Student Volunteers!"

It was brought up by the Chairman that he had spoken to Dr. Lowe about the problem of 12:00 and 1:00 class, leaving little time for students to eat lunch, because the cafeteria line begins forming before 11:30. Dr. Lowe was not aware of the problem. Mr. Wolfskill said he would bring up this problem at the next Department Head meeting.

The chairman asked if there were any matters that needed to be brought before the committee.

One student said the students are concerned with the amount of time Dean Lewis has to accept the decision of the Faculty Judiciary. They were under the

impression, Dean Lewis had three weeks to think over judiciary matters.

This committee told the students they were misinformed, but it was not written down in the Student Handbook the amount of time given the administration. The Student Handbook says that a student is given 48 hours to appeal if they are dissatisfied with the decision of the faculty judiciary.

A motion was made and seconded that it be made clear that the administration has the same period of time to make a final decision as the students have to appeal, 48 hours.

The women students present were very concerned about the lack of security at night. They reported that they were dissatisfied with the results of the meeting between Security and Dean Lewis in the girls dorms.

One committee member said that there is a need for more security people to solve the problems which occur at night.

It was brought to the attention of this committee that coeds are able to pick the locks on an outside hall door of the dorms. This did not give the women students a feeling of security at night.

Students noted that there are no operating fire alarms in the men's dorms. Mr. Tripp, who is chairman of the Physical Plant committee for Self Study, said that they were recommending that each RA be given a compressed gas horn to be used as a fire alarm. When a fire occurs, students are to go to their RA.

Students also voiced concern about the condition of the ladies restrooms located behind the concession stand on the football field. There are no partitions between each of the toilets in the restroom. The chairman said he would check with Mr. Hassell about the matter.

Students were concerned about "How far does the arm of the college reach?" They cannot understand why they are put on trial twice for a crime, once by the Town of Murfreesboro and again by the College. The committee indicated to the students that any crime that hits the local paper or local courts about Chowan College students is a concern of the college.

The next meeting was set for November 10, 1976.

Being no further business, the meeting was adjourned. Marianne Jackson, Secretary

Protection Program Is Planned

On Tuesday, evening November 2, at 6:30 a program on Self Protection will be presented in McDowell Columns Auditorium. The speakers will be Ms. Sharon Haake and Mrs. Pauline Harrell.

Sharon has been with the Norfolk Police Department since October 1974. Her assignments have been with the Vice and Narcotics Division. She is presently assigned to the Crime Resistance Program, with emphasis on crimes against women. Sharon earned the B.S. degree in Administration of Justice at Virginia Commonwealth University, Richmond Va. and is currently enrolled at Old Dominion University Norfolk, Va., working on the Master of Science Program in Urban Studies with Criminal Justice emphasis. You may have seen Sharon on T.V., for she appeared on some Norfolk area talk shows. Her hobbies are swimming, horticulture, and antiques.

Pauline (Polly) Harrell has been with the Norfolk Police Department since September 1974. Her assignments have been with the First Patrol Division and the Police-Community Relations Division-Crime Prevention; the latter being her present assignment.

Polly has attended the the Police Academy and is presently studying Law Enforcement in a two-year college. She has had training in rape prevention and self defence, and is also an instructor in the Department of Adult and Vocational Education of The Norfolk Public Schools. She is currently teaching a Course entitled Self-Defence for Women. Her hobbies are flying and sports.

Mark your calendar now and make plans to attend the Self-Protection Program Tuesday, November 2, at 6:30 p.m. in McDowell Columns Auditorium. The program will be opened to the entire student body, faculty, and staff. Admission is free.

Question Answered On Security

Campus security and student safety have been topics of much discussion among several college groups in recent weeks. Some of the concerns for better security and improved lighting were based on facts. At times facts were misrepresented. Untruths and partial truths were

propounded and accepted as infallible beliefs by a few. Rumors made their rounds in the residence halls. Residents heard that locks to outside exits in Jenkins and Belk Halls could be opened with an ID card. Other believed the outside locks could be picked. When Mr. Jack

Hassell, Superintendent of Buildings and Grounds, responded to the rumor that outside doors in Belk and Jenkins could be picked or opened with a credit card, he said, "No way. A professional might be able to pick them, but it would take him a long time."

The next meeting was set for November 10, 1976. Being no further business, the meeting was adjourned. Marianne Jackson, Secretary

Does America need more government regulation? Or less?

You should know how your opinion compares with the views of people across the nation who were recently asked this question.

When we interviewed a broad section of Americans recently, over 40% said there should be more government regulation. Nearly 25% felt that there was already too much. Almost 20% said we have just about the right amount. Others had mixed views or no opinion.

You may agree or disagree. The important thing is that you have an opinion of your own. An informed opinion.

Over the years, we citizens of the United States are going to have to make many decisions that will have a basic effect on our American Economic System. Obviously, the more we all know about this system and how it works, the better we can decide what to preserve, what to change.

That's why we're offering a free booklet that explains the American Economic System. It is easy to read, and very interesting.

Every American ought to know what it says.

The American Economic System.

It's one of your basic freedoms
