

## SENIORS

James Jones, William McAllister, and Robert Offutt will soon sing their Swan Song. These stellar athletes have performed magnificently in sports during their stay at St. Augustine's. They are outstanding members of the "53 Falcons".

Jones, Co-Captain, a hard hitting and running fullback leads the team in ground gained for this season. McAllister, also Co-Captain and first string guard, does not feel content unless he is the fifth man in the other teams backfield. Offutt plays well offensively and defensively.

We must remember these STALWARTS who have helped keep the "Falcons" outstanding.

### Miles Moves To Second Place

Roland Miles, a 1951 graduate, and former grid star at St. Augustine's College, moved to second place in individual scoring in the Western Inter Provincial Football Union League, in Canada. "Cush" Miles scored five touchdowns in one weekend to pass his teammate.

Miles, of the Edmonton Eskimos, scored three touchdowns on Saturday against the Winnipeg Bombers, and racked up two more on Monday against the Saskatchewan Rough Raiders. This gave Miles a season's total of 55 points, nine points out of first place.

The speedy half back was named to last year's Western All-Star team. He has turned in the best individual performance of the season this year. This is his third season with the Canadian league.

While at St. Augustine's, Miles was one of the greatest athletes ever to attend the College. He made All-America, and "Who's Whom Among Students in American Universities and Colleges". He was known as an athlete, gentleman, and a scholar.
