

Funny Bone

By Tara Henry
Sophomore, Business Major

Have you heard the one about the protestant, the holiness, and the stutterer who were all selling Bibles for the Bible Study Group?

Well, when they went to report how many Bibles they had sold, the protestant said, "I only sold 4."

The study group said, "Well, we know you can do better than that. Try to sell some more."

Then the holiness reported that he sold 40. The group applauded him and said

"Keep up the good work!"

Then they asked the stutterer, "How many did you sell?"

The stutterer replied, "Fo-fo four hundred." Someone replied, "You mean 40, don't you?"

The stutterer denied it saying, "N-no, fo-four hun-hundred."

The people were amazed and asked him, "How did you do it?" He answered them, "I kn-knocked on the d-do-door and I s-said, 'B-buy a B-Bible or I-I-I read it to you.'"

Equations Puzzle
