BASEBALL STARTS

Baseball season and practice at Wesleyan began the first week in February. Practice which is now held at Benvenue started with a minimum of baseball and a maximum of conditioning. Nineteen of the twenty-two boys who went out will be chosen to go to the out-of-town games while all will be on the team for the home games. The boys have received jackets, practice pants, and sweat shirts to use at practice.

The present schedule for the season includes ten games. The game on May 5 is the only scheduled night game. Two opponents, Windham and Frederick are out-of-state colleges, from Vermont and Virginia respectively. Home games are to be played at the Municipal Stadium in Rocky Mount.
