

CONCERTS

Gene Featherstone, pianist and faculty member at Atlantic Christian College in Wilson, will be featured in a concert Monday evening, April 24, at 8:15 in the College Chapel. His program will include works by Mozart, Beethoven, Chopin, Prokofiev, and Debussy.

The seventh concert in a series sponsored by Wesleyan College and the Rocky Mount Arts Center took place April 11 in the Chapel at the college. It featured the local debut of two well-known musicians from the University of North Carolina, Rebecca Carnes, soprano, and Wilton Mason, pianist. They presented a program of art songs, arias, lieder, and folk songs.

The eighth concert in the college series will be a faculty recital which will feature Dr. and Mrs. William Sasser in a program of music written for two pianos. This concert will take place on Tuesday, May 2, in the college Chapel.

PROGRESS

Improvements and additions are visible everywhere on the college campus. The Bishops now have their own baseball field which is used for practice this year and will be used next year for their home games. The tennis and basketball courts are now completed and are being used by the Physical Education classes. Could it be that the ten foot fence was put up around the courts to save running after stray balls?

HEDGPETH WINS

Doug Hedgpeth won the singles ping-pong tournament by defeating Wayne Cooper in the finals. His trophy will be presented at the assembly after the completion of the doubles tournament. In the winners' bracket in the doubles tournament the team of Gay and Bauer has secured the lead. In the losers' bracket the team of Bailey and Hamad is waiting for the outcome of the match between the teams of Eilers and Hedgpeth against Miller and Wheeler.

Coach Raymond Bauer is starting a singles tennis tournament. Play will be open to anyone in the staff, faculty, or student body. Anyone interested is asked to please sign the sheet on the bulletin board by Friday, April 21, as play will begin Monday, April 24.
