

Intramurals

Thursday, October 19, marked the renewal of keen competition and hotly contested intramural games. Renewed also is a competitive spirit which is a prominent part of our growing college community. Wesleyan's first year saw the beginnings of an intramural program. This year will see the development of that program.

Dr. Bauer, athletic director, has formulated an intramural program based on the students' need to develop both physically and academically. This program consists of a series of team sports, basketball being the first, which will extend throughout the year.

To compete in this intramural program, five teams were formed. Each team will be graded by a point system based on their performance.

Captains for the five teams are: first team, Jerry Chesson; second team, Linwood Joyner; third team, Larry Matthews; fourth team, John Alden; fifth team, Ervin Cullipher.

Sophomore Boys Defeat Faculty In Volleyball Contest Saturday

A "spirited" crowd of five thousand assembled Saturday morning, October 14, at 9 o'clock to see one of the most important athletic events of the season—a volleyball tournament—sophomore boys vs. the faculty men.

"Teddy Bear" Miller, Ervin Cullipher, Dicky Moore, Tommy Adkins, John Bandy, John Allen, Larry Matthews and Bill Garlow made up the exuberant sophomore team.

President Collins, Dean Moore, Dr. Hailey, Col. Hall, Maj. Helwig, Mr. Sherron, and Mr. Gay comprised the confident and cocky

faculty team.

Vann Massey and Coach Bauer, as the "competent officials," referred the big game.

Coach, why did you stand on the saw-horse? So you could see those beautiful plays by President Collins and Mr. Sherron?

Although the faculty team played exceptionally well for men rather advanced in age, they were whipped by the younger team. The faculty could have easily won the first game, however, if the Dean had showed up on time.

By the way, Dean Moore was especially nice looking in his T-shirt and tennis shorts! Col. Hall, too!

The enthusiastic crowd was thrilled by the spiking efforts of the 6'6" faculty star, Carl Helwig, who was cheered on by the shouts of "Come on, Baby!" from Dr. Hailey, and "Hit it, Honey!" from Mr. Gay.

It was an exciting game—one well worth getting up early to see!

HOUSE MOTHERS

By JOAN LIFTIN

House mothers are a clan apart;
They bear no traces of a heart.
They wait till you're a minute late,
Then gleefully they close the gate.
They seem in some way fiendish-bent;
They chortle when they ask for rent.
Some day, to spite the darned old bears,
I think I'll bring a man upstairs.
