

Goncharoff Will Visit Campus Nov. 1 And 2

Nicholas Goncharoff, nationally prominent educator, will be the first of four lecturers to appear on campus this year.

As a Danforth Visiting Lecturer, Dr. Goncharoff will visit the campus Nov. 1 and 2, speaking with various classes and addressing the entire student body in convocation.

In addition, Dr. Goncharoff will be the speaker at a public lecture in the Student Union on Friday, Nov. 2, at 8:15 p. m.

Dr. Goncharoff is a Russian-born political scientist who is now a citizen of the United States and serves as Secretary for International Education of the National Council of YMCA. The subject of his public lecture will be "The New Soviet Society—Education, Indoctrination, and Search for Democratization of Life."

Born in Kiev, Russia, in 1921, he is the son of a career diplomat who turned to the Orthodox priesthood. Later, both of his parents were victims of the Revolution. While being educated in communist schools, Dr. Goncharoff was a member of the Orthodox Church despite religious persecution. In his youth he served as altar boy to his father.

In 1941, while he was a student at the University of Odesa, Dr. Goncharoff was drafted into the Soviet Army and served as a Russian tank commander in World War II. Later he was captured and interned, first in a prisoner-of-war camp in the Ukraine, and then in a forced-labor camp in Germany. After harrowing experiences, he was liberated by the American forces in Bavaria, made his way to Munich, and entered the University as a teacher and student. Six years later, in 1952, he received a Ph.D. in philosophy and history.

A year after his arrival in the

United States in 1952, Dr. Goncharoff became connected with the National Council YMCA public affairs program. He became an American citizen in 1957.

From 1955 to 1961, in an attempt to bring to North Americans a new awareness of the basic problems and conflicts facing the world and the relevance of Christian principles to them, Dr. Goncharoff conducted a series of seminars on the theme, "Youth's Role in a Revolutionary World."

Campus visits by Dr. Goncharoff are made possible by a project which is now in its sixth year, and sponsored jointly by the Association of American Colleges and the Danforth Foundation. The purpose of the program is "to strengthen the intellectual, the religious and the cultural aspects of liberal education in the United States."

Dr. Goncharoff is one of 16 scholars and specialists from this country and abroad who were chosen by the Foundation and the Association Arts Program for campus visits in 1962-63. He visited 12 colleges under the same auspices during the 1960-61 academic year.

NICHOLAS GONCHAROFF

WANDA EXUM is one of the many students on campus to visit the Renaissance Textiles Exhibit. The exhibit was made possible through the efforts of the faculty Special Events Committee, headed by Dr. William Sasser.

Jacobs Named President Of Day Students

Dan Jacobs has been elected president of the Day Students' Council.

Serving with him on the Council will be David Brady, Albert Boone, Willard Batts, Herbert Campbell, Andy Neville, Brenda Pridgen, Jeff Shee and Jimmy Wheeler.

The Day Students' Council, a part of the Student Government Association, serves as a coordinating unit between students on campus and those commuting.

The president of the Council is a member of the Student Life Association and represents day students in all matters concerning student government.

All students not living on campus are members of the student organization.

Literary Club Meets For Reading Session

Professors Jack Teagarden and C. E. Harwood were hosts to the Literary Club and other interested students at the home of Dr. Teagarden last Saturday night.

The group gathered for a listening and reading session. Shakespeare's "The Taming of the Shrew" was read and compared with the sound track of "Kiss Me Kate."

The Literary Club on campus was organized in the spring of last year in an effort to allow students to get together and discuss topics of mutual interest, ranging from music and poetry to play readings.

Members of the club are Winni Stine, Terry Singer, Butch Nichols, Wanda Exum, Mona Cozart, Cherry Gorham, Faye Vester, Alice Kovarco, Mary C. Hodgkin, and Richard Zellner.

Membership is not limited, and all students are invited to

attend the next meeting.

Faculty sponsors for the group are Dr. Harwood, Dr. Teagarden, Mr. and Mrs. Walter Gray, and Mr. and Mrs. Wallace Johnson.

8 Students Named On Ring Committee

Gary Garlow, John Hines, Vann Massey, John Gillis, Larry Matthews, Karen Hansen, Joe Boeling, and Robert Stephens were recently appointed by the Senate of the Student Government Association to serve as members of the Committee on Class Rings.

The committee is now in the process of securing a company to make the ring, and Larry Matthews is working on ring design.

One side of the ring will be made up of the college seal. The other has not yet been decided on.

Students will be able to purchase rings by the fall semester of 1963, at the latest.

Anti-Suitcase Campaign

The Senate is also sponsoring

what it calls an Anti-Suitcase College Campaign, organized under the hypothesis that if there is enough happening on the campus during the week end, students will remain on campus and participate, according to Vann Massey, chairman of the Campaign Committee.

In an attempt to fill every Friday and Saturday night with a variety of student activities, the Senate is attempting the following: to rededicate the juke box room, sponsor bridge tournaments, help the Social Commission promote dances, and cooperate with any club functions scheduled on the SGA calendar.

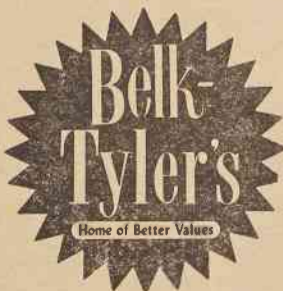

Larry Post, Publications Commissioner, announced to the Senate that annual pictures for individuals will be taken on Oct. 29, 30, and 31.
