

# Composite Statistics For Baseball

By STEVE HALL

As far as batting averages go, Joe Williams led the Bishops with an outstanding .333. However, he was at bat only 9 times with 3 hits. He was closely followed by such sluggers as Bob Roop, with a .321 and Dave Reeves with an even .300. Roop and Reeves were also the only two players on the Wesleyan

team to get home runs this year.

Dave Reeves led the team in runs batted in having 10, twice as much as the next man with 5. This was Ronnie Ragsdale who had 6 hits for 20 times at bat for a .286 batting average. This batting average was duplicated by John Edgerton who also had a .286 but played about half the season due to illness.

Closing out the .200's were Seybert with a .256, Lancaster with a .250 and Cherry with an even .200. Nelson who batted .172 was followed by Delaney and Brockenbrough, who both batted .143. The line-up finished up with two .133's by Moore and Robinson and with Schultz, Rexroad and Everett with a .116, .091 and a .087, respectively.

## Baseball In 1965

By STEVE HALL

Dr. Bauer was interviewed recently and asked to give his views on the baseball team for the 1965 season and also to summarize this year's team.

Dr. Bauer said that our greatest weakness was defense. This was due basically to inexperience. Errors hurt us considerably, continued Dr. Bauer, and we gave up more than 2½ runs per game because of our errors.

The well-liked coach continued by saying that our team played very well accordingly and that we had some close games which shows that we do have good potential. He closed this year's season by saying that he wished the team could have won more games, as everyone else does, but the team showed up real well and that he was very pleased with its performance.

Turning to next year's team, Dr. Bauer said that the big hitters such as Roop, Reeves and Seybert, would be good potential for next year's season. He explained that experience was a necessary factor in making a good team and that this season gave us such

## WRA Elects New Officers

The recently formed Woman's Recreation Association met and held its election of officers for the coming school year 1964-1965. The officers who were elected are as follows: Robin Lunn, president; Rita Abernathy, vice president; Jane Floyd, secretary-treasurer; and Dodie Waters, publicity chairman.

The club was organized this year under the direction of Mrs. Edge who has been at Wesleyan for two years serving in the position as Physical Education Director for women.

valuable experience. He went on to say that there were several games that we lost by only a slim margin and only because of errors. This is where improvement can be made by next year and it should give us higher hopes of victory in the future.

Dr. Bauer closed by asking the students for more support in 1965. He said that school spirit makes a team perform better when the going gets rough, knowing that there is someone, and a lot of them, wanting you to win.

NAME OF PLAYER	AB	R	H	RBI's	1B	2B	3B	HR	AVG.
Williams	9	1	3	1	3	0	0	0	.333
