

# Annual Blow-Out Planned

MAURICE WILLIAMS AND THE "ZODIACS"

According to Grace Markham, Chairman of the Social Commission, this coming weekend, October 30-31, will be a lively one for Wesleyan students.

The Autumn Jubilee will begin Friday evening at 8:00 p. m. in the new gymnasium with a Pop Concert sponsored by the Music Department of Wesleyan College. Featured events of this Wesleyan "first" will include "Rhapsody in Blue" for band and piano, featuring Miss Etta Spivey of our Music Department as piano soloist. The Wesleyan Singers, a talented group, accompanied by the band, will sing "Joshua" and "Dry Bones." We also understand that a faculty quartet will sing "When You Were a Tulip" and several other light numbers along this vein. Also, a dance band will provide further entertainment.

On Saturday afternoon, our spirited soccer team, which has been doing a fine job this year, will tangle with the UNC Frosh; this should prove to be quite a battle before it is all over. The game of soccer is a rugged, semi-contact sport, and this one should be well worth watching. The game will begin at two o'clock.

On Halloween Eve from five to six, a Bar-B-Q picnic will be held behind North Hall. After-dinner entertainment will be provided by a local folk singing group which should warm us up for the main event of the weekend. Guest tickets may be purchased from Betty Chand (resident students)

and Ed Schultz (day students). To climax the evening, Maurice

Williams and the Zodiacs, who provided us with much wild entertainment last year, will be back on campus Saturday night for the "Harvest Howl." They will be "blowing it out" from eight to twelve, and the walls of our new gym will stand their first real test. Advance tickets for this dance may be purchased from

any member of the Monogram Club, the Chairman of the Social Commission, or from the campus bookstore.

Should anyone be interested in room accommodations for out-of-town guests, they are advised to contact Janice Roebuck (Nash), Bill Gruver (Edgecombe), Edna Langston (North), or Al Rexroad (South).

## Guild Awards Betty Chang New Grant

Betty Chang, a member of the Senior Class here at Wesleyan, was recently honored as being the first recipient of the new Wesleyan Service Guild Scholarship. After graduation in the Spring, Betty plans to use the scholarship as she begins her study for the master's degree at Searritt College in Nashville, Tennessee.

In addition to being a North Hall council member and Senate representative, Betty spends much of her spare time speaking to organized groups and clubs all over the state (Greenville, Goldsboro, Elizabeth City, Sanford, Burlington, Washington, and Smithfield to name only a few). Betty also works approximately twenty-five hours per week in the Admissions Office and school cafeteria.

Before coming to the United States she graduated from Providence English College in Taichung. While at Providence, Betty was Vice President of the Class Leaders (similar to our SGA), choir chairman for the Methodist Church, a private English teacher for high school students, secretary for three missionaries, and student counselor for the Methodist Workshop and YWCA.

## Freshmen Complete Class Elections

On Tuesday, October 13, the members of the Freshman class held their first class meeting with the sole purpose of nominating

their officers for this year. After preliminary eliminations, those nominated for President were: Martin Lang, Quinton White, and Styles Livengood; for Vice President, Kris O'Connor, Barry

Stallings, and Nat Railey; for Secretary, JoJo Ricks, "Tess; "

Ledford, and Anne "HaHa" Chaffin; for Treasurer, Marty Sara, Della Reaves, and Barbara "Charge" Anson.

The campaign speeches for these candidates were heard by the class on Thursday, October 15. Posters were displayed with hopes of a successful campaign by each nominee.

Due to the outstanding qualifications of each nominee, many students went to the polls Monday, October 19, with mixed feelings. When the results of the election were posted and announced Monday evening, the Freshmen found themselves with yet another election, a run-off for President between Marty Lang and Quinton White. The other officers were announced - Vice President, Kris O'Connor, Secretary, JoJo Ricks, Treasurer, Marty Sarra.

When the final votes for the run-off had been cast and tabulated, Marty Lang was declared President of the 1964-65 Freshman class.

The new president, Martin Lang, has said that this year he will work for a unified and progressive Freshman class.

Kris will be responsible for keeping the class "up on what's going on at the Student Government Association meetings."

A meeting of the new officers has not yet been held, but a dance, a Freshman social, and scrapbook, are items under consideration. Martin has been quoted as saying, "The Freshman class has displayed tremendous potential and with a good effort on the part of every member of the class, I am satisfied that we can make our Freshman year at Wesleyan a fruitful and enjoyable experience."
