

# Bowlers Begin Second Year

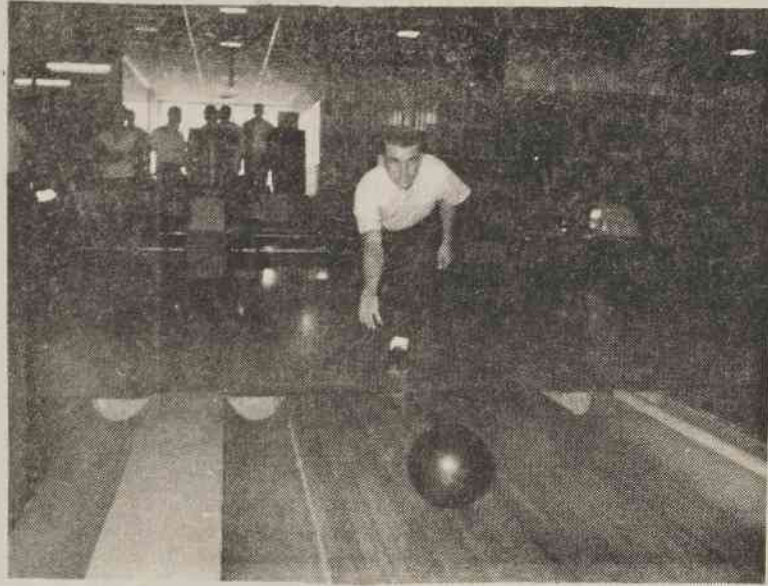

The Wesleyan bowlers, on December 2, began their second year of competitive bowling in the Dixie Conference, under the leadership of their new coach, William O. Music, Jr.

Competition will be as last year, the bowlers bowling on their home lanes and the results being sent to a central center where the official league standings are tabulated.

The Bishops have two returning lettermen, Ron Ragsdale and Lyn Holden. Rons distinguished himself by setting one of last year's conference records by bowling the highest individual three-game series of 625. Also returning from last year's team are Bob Lyons and Max Fitzgerald. Newcomers Richard Burney, Dick Ernestes, Randy Baker, and Bill Tolloman will help to round out this year's team.

This year's team expects to better last year's mark of 3rd place.

The staff wishes the team luck during this year's season.

## Steve Speaks on Sports

WRESTLING: NEW SPORT AT WESLEYAN

Along with soccer, wrestling has recently been introduced as one of the intercollegiate competitive sports. The first practice was held at 3:30 p. m. Tuesday, December 1, in the new gym. Approximately 25 boys came out for the team and others just to watch. This sport has received much enthusiasm, and judging from the prospective team members, we should have a good year. I say this because the team is being coached by William Music, who, as you remember, did a fine job with our new soccer team.

Joe Boling and Kris O'Connor have had previous experience in wrestling and Joe is helping to give instruction for the different holds.

There are ten weight divisions ranging from 117 pounds to unlimited which begins at 185 pounds. We have entries for all ten divisions. Each match consists of nine minutes with three three - minute periods. As in professional wrestling, there are three falls which determine the winner. Also, in collegiate wrestling, if a player injures his opponent, he automatically loses the match. This is the standard procedure for all weight

There have been five regularly scheduled matches for after-Christmas vacation which include Wilmington, Pembroke, and St. Andrew. There are hopes of playing Methodist College and Rocky Mount Senior High School out of regular play before Christmas.

Joe Boling has a tight grip on Don Everett as Dick Tripp (in background) is in doubt about the whole situation.
