

NCWC, Number One

The North Carolina Wesleyan College golf team, under the guidance of Coach Don Scalf made history last May by capturing the Dixie Intercollegiate Athletic Conference Championship for the second straight year.

The Bishop linksters took the conference title in championship style as they led their nearest competitor, St. Andrews, by 25 strokes.

Wesleyan also made history by setting a new tournament record with a team score of 774, two strokes better than the previous record. It is also of interest to note that it was the Bishops in 1970 that set the former DIAC record of 776 for a team score.

The Bishops entered into the championship round May 4 with a 18-stroke lead over St. Andrews, their nearest competitor, who ended the match with a team score of 809. A 74 by Dick Shannonhouse in the second round enabled him to win

the medalist trophy, and enabled Wesleyan to increase their lead.

The Lynchburg Hornets came in third in the tournament with a 818, and then the scores were no longer close. Virginia Wesleyan had a 856 for fourth place. The University of North Carolina at Greensboro was fifth with an 864, Methodist was sixth with a 873, 99 strokes behind the Bishops, and Greensboro College trailed the tournament with a 903.

Other honors earned by the Bishops last May were medalist winners. Dick Shannonhouse, North Carolina Wesleyan, finished first with a 149. "Bootle" Pilcher, North Carolina Wesleyan, second with a 151. Ron Bremer, Methodist College, finished third with a 154 and Joe Restein, North Carolina Wesleyan, tied with Mac Jones St. Andrews Presbyterian College, for fourth place with a 155.

Wesleyan has hardly ever been known as a winner in the field of athletics. Well now it's time to look up and back the Bishops as they start a new year as No. 1.

Educational Testing Dates Announced

PRINCETON, N. J.--Educational Testing Service announced today that undergraduates and others preparing to go to graduate school may take the Graduate Record Examinations on any of six different test dates during the current academic year.

The first testing date for the GRE is October 23, 1971. Scores from this administration will be reported to the graduate schools around December 1. Students planning to register for the October test date are advised that applications received by ETS after October 5 will incur a \$3.50 late registration fee. After October 8, there is no guarantee that applications for the October test date can be processed.

The other five test dates are December 11, 1971, January 15, February 26, April 22, and June 17, 1972. Equivalent late fee and registration deadlines apply to these dates. Choice of test dates should be determined by the requirements of graduate schools or fellowships to which one is applying. Scores are usually reported to graduate schools five weeks after a test date.

The Graduate Record Examinations include an Aptitude Test of general scholastic ability and Advanced Tests measuring achievement in 19 ma-

ior fields of study. Full details and registration forms for the GRE are contained in the 1971-72 GRE Information Bulletin. The Bulletin also contains forms and instructions for requesting transcript service on GRE scores already on file with ETS. This booklet is available on most campuses or may be ordered from: Educational Testing Service, Box 955, Princeton, New Jersey 08540; Educational Testing Service 1947 Center Street, Berkeley, California 94704; Educational Testing Service, 960 Grove Street, Evanston, Illinois 60201.

On Behalf Of The
Orientation Committee
 I would like to thank the committee itself, the administration, staff, faculty, and students who helped in making this year's orientation week the success it was.
