

Bishops Stun UNC-G 74-71, In Homecoming Thriller!!

Rocky Mount--The North Carolina Wesleyan College Bishops, under the guidance of Coach Neal Chancey, stunned the Spartans of the University of North Carolina at Greensboro 74-71 in a Homecoming thriller here last Saturday afternoon.

The Bishops, making their homecourt debut, appeared to be doomed to their fourth loss of the season in the first half of play. Wesleyan played a scrappy 20 minutes and made several turnovers which resulted in several Spartan baskets. In fact, the visitors led by as many as 12 points on two occasions. The Bishops called time, settled down and returned to the court with renewed vigor. A man-to-man and pressure 3-1-1 defense began a Bishop comeback that cut the deficit to five points, 38-33, at the half.

Wesleyan returned to the court the second half with a determination to win and scored the first seven points of the half. The Bishops took the lead 40-38 on a fifteen foot jumper by Sophomore forward Bill Manson with 18:39 showing on the clock. The score remained close the entire half with neither team leading by more than five points. The Spartans ap-

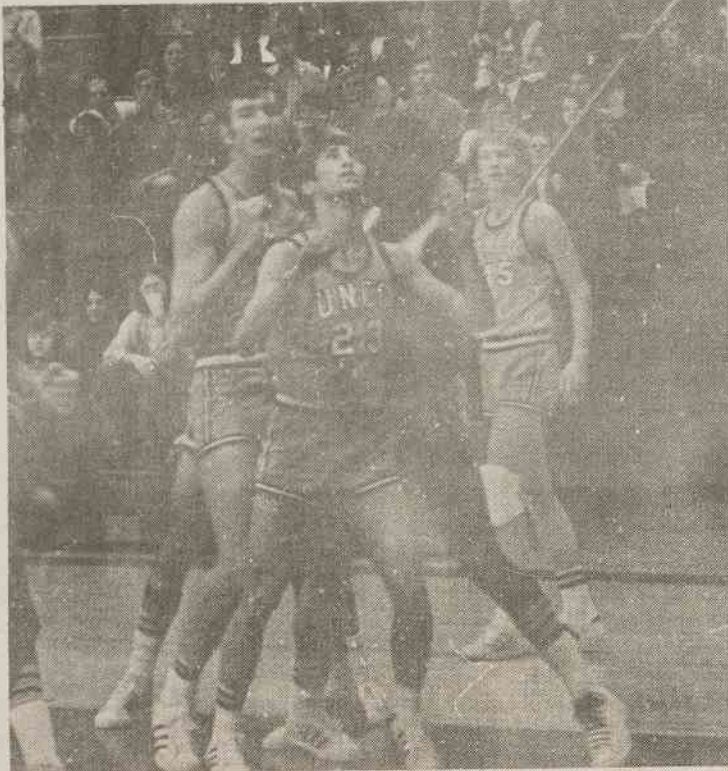

peared to have the game wrapped up with 3:20 remaining and a 65-61 advantage, but the Bishops again fought back. Manson scored the last Wesleyan bucket with 3:11 showing on the clock and the rest of Wesleyan's points came from the charity stripe where they took ad-

vantage of ten attempts. Substitute Dave "Swish" Hummer hit four of these while Manson, Lauranzon, and McGirt finished the line up.

Manson was high scorer for the Bishops with 18 points. Suter added 14 and McGirt, 11. Bruce Shaw took scoring hon-

ors for the game with 19 while Peiphoff, Estes, and Robbins added 17, 16 and 11 respectively for the Spartans.

This game marks the third win against three losses for the Bishops while they stand 2-0 in the Dixie Conference. The Bishops' next game will be tonight when they take on the Hornets of Greensboro College.

UNC-G mobs the goal, but Wesleyan wins homecoming, 74-71.

and evening courses from Wesleyan, East Carolina, and Elizabeth City State. They will receive 26 semester hours of credit for the year and will return to the campus to complete their degree requirements.

This program appears to have a number of advantages over the traditional student teaching program. Rising sophomores and juniors will have an opportunity to apply for this program next year as well as another program we are presently negotiating with the Camp Lejeune Schools in Jacksonville, N.C.

Curriculum III has presented our teacher education program with great opportunities to ex-

pand and enlarge on the kinds of experiences made available to students. Those who are interested in obtaining further information on any of these programs are urged to discuss them with any member of the Education faculty.
