T. L. Smith Named Key Man for A-M

Heading the campaign in the Adams-Millis plants and offices in High Point will be T. Lynwood Smith, vice president. Smith has been active in the United Fund in High Point since joining Adams-Millis in 1945. He has served on the board of directors, the budget committee, and as campaign co-chairman for the United Fund. He has also served on the advisory boards of the Y.M.C.A. and the Family Service Bureau.

While this article is being written, an employee of Adams-Millis is in the hospital receiving blood made available through the Bloodmobile Program of the American Red Cross. The High Point Y.W.C.A. nears completion; there both young and not-so-young ladies working in our plants may join their daughters, sisters and friends in wholesome exercise, fun and development of strong characters. Your United Appeal will continue to provide the Christian leadership for both our Y.W.C.A. and our Y.M.C.A. Our boys and men will be able to develop Spirit, Mind and Body, through the facilities and supervision of the Y.M.C.A., supported by the United Appeal. Through the United Appeal, the Salvation Army will provide a home away from home for the transient, food for the hungry and spiritual strength for the "down and out."
