

# Ten demandments

*Here are "Ten Demandments By The Boss" that should be of interest to all who have bosses:*

**Rule I** – Don't lie – it wastes my time and yours. I'm sure to catch you in the end, and that's the wrong end.

**Rule II** – Watch your work, not the clock. A long day's work makes a long day short, and a short day's work makes my face long.

**Rule III** – Give me more than I expect and I'll pay you more than you expect. I can afford to increase your pay if you increase my profits.

**Rule IV** – You owe so much to yourself that you can't afford to owe anybody else. Keep out of debt or keep out of my shop.

**Rule V** – Dishonesty is never an accident. Good men, like good women, can see temptation when they meet it.

**Rule VI** – Mind your own business and in time you'll have a business of your own to mind.

**Rule VII** – Don't do anything here which hurts your self-respect. The employee who is willing to steal for me is capable of stealing from me.

**Rule VIII** – It's none of my business what you do at night. But if dissipation affects what you do the next day, and you do half as much as I demand, you'll last half as long as you hoped.

**Rule IX** – Don't tell me what I'd like to hear, but what I ought to hear. I don't want a valet to my vanity, but I need one for my money.

**Rule X** – Don't kick if I kick – if you're worthwhile correcting you're worthwhile keeping. I don't waste time cutting specks out of rotten apples.
