

OVER- HEARD

Plant 1:

A big "welcome home!" is extended to Tommy Beck who has just returned to his job in the Greige Goods Department after having served for two years with the 15th Engineering Battalion of the 9th Infantry Division of the U. S. Army; one of these years was spent in Vietnam. We think a big "thank you!" is also in order.

Little Miss Donna Elizabeth Payne was recently named "Outstanding Baby of the Year" of the Mary Bethune Branch of the High Point Y. W. C. A. Her mother, Juanita Payne, was crowned "Mrs. Y. W. C. A." of that branch in 1966. Juanita is employed in the Knitting Department of Plant 1.

Can you tell who the proud new grandmothers are in the Greige Goods Department? It isn't hard to do; there's Barbara Walker who has a new granddaughter, Mary Webster who has a new grandson, and Beulah Tuttle who has a new granddaughter.
