Your Salvation Army transient service provides meals, lodging and clothing for men, women and families passing through the area. Often these people have lost their jobs, or families, and all hope of a successful life; but with assistance from the Salvation Army, they are given shelter, meals, a place to sleep and a work opportunity--a home away from home.

Girl Scouting is more than a club; it is the largest world wide organization serving girls anywhere. Program spans ages 7-17 with different activities for four age levels: Brownies, Juniors, Cadettes and Seniors. These four scouting groups have six concentrated areas of study: Living up to the promise and law, Service to others, Troop management, Citizenship, International friendship and Health and safety. Girls who grow up in Scouting grow with a code of friendship, loyalty and honor.
