"I don't believe in polls or opinions, but if you really want to know who's going to be elected, here's the real low-down—"

A PERFECT MARRIAGE

I Want A Boss Who. . .

. . .helps me when I am new to get acquainted with my job. . .explains to me just what my job is--just what I am expected to do. . .tells me frequently how I am getting along--what I do well and what I don't do well. . .shows me how to do better. . .not only thinks of me for what I am but for what I may become. . .takes a personal interest in me and my problems. . .listens to my ideas for making the job easier and better. . .stands up for me when I am right. . .is honest and four-square with me. . .tells me about changes before they are made. . .has personal faith and confidence in me.

I Want A Worker Who. . .

. . .likes his job. . .knows his job. . .keeps himself physically fit. . .wants to do a day's work for a day's pay. . .wants to get ahead. . .is always on the job unless excused. . .is cheerful--not sullen. . .works safely--with due consideration for himself and his fellow workers. . .gets a bang out of a job well done. . .tries to avoid waste and cut costs. . .looks for a better way to do the job. . .tells the truth. . .who is sincere. . .gripes little and looks forward. . .keeps the spirit of teamwork. . .asks questions when he needs help. . .is willing to face his personal problems squarely. . .tries to put himself in my place now and then. . .feels that his job is a privilege--not a right.
