WHERE'S THE THE CATCH?

The picture does not indicate the success of this group of men from the Mt. Airy who recently went deep sea fishing. They are, front row, left to right: James Utt, Pat Duncan and Glenn Utt; back row, left to right, are Dale Overton, Larry Sawyers, Dennis Carter, Pete Haynes, Roy Utt and Carl Utt.

Only the dumb envy the talkative.

"SERVICE WITH A SMILE"

"Service with a smile" is an old cliché but very appropriate with the personnel staff in Plant 3. Betty Barber, left, is receptionist and switchboard operator; she is first to greet the visitors and employees in person and on the telephone. Kay Kiser, center, is personnel clerk. Jean Blaylock, right, handles group insurance claims and other personnel records.

"OUNCE OF PREVENTION"

Ozelle Swink, seamer of Plant 1 in High Point, believes an ounce of prevention is worth a pound of cure. Ozelle gets her flu shot administered by Ellen Scott, plant nurse of A-M Texturing and Dyeing.

Pity costs nothing, and it ain't worth nothing.
