SANDRA GORDON AND LARRY DILLARD

JO ALBERTSON

Off To Cuba

Jo Albertson, who formerly worked with Anvil Brand and has been a temporary employee the past few weeks, leaves soon for several weeks in Cuba where she will work with a Methodist Youth Caravan.

Jo will go with several other young persons and two councilors from the Thomasville Sub-district, and will work with the Rev. John Stroud, missionary in Cuba. They will go to Miami by bus and then fly to Cuba.

The caravaners will take many toys and equipment to be given to the children they will teach; the girls in the group will conduct a Bible School and the boys will help build a new church. Each night the group will assist in religious services and on Sundays will speak in different churches; most of them will have interpreters.

Jo worked for Anvil Brand for four years and now is a student at Pfeiffer College where she is a member of the Junior Class. She is majoring in religious education.

Bowlers Win \$100

Bertha Ferguson of Sport Shirt at White consistently is one of the top women bowlers in High Point and maintained the highest average in the City League which recently wound up its winter competition.

Peggy Whitt of Ladies Department and Mildred Rickard were on Bertha's team and they, with two others, split the \$100 prize money awarded the top team. They also received a handsome trophy, now on display at the local bowling alley.

PRETTY NURSE—Who would mind being sick if they could have a pretty nurse like Christine Andrews who is in training in Charlotte? She was home recently to visit her mother, Lillian Wood of Utility.
