

CORSAGE FOR ANNIE — Dora Byerly at left is looking over Phyllis Hobson's shoulder to see that the orchid corsage is pinned "just right" on Annie Hughes. Betty Lou Wright, Willa Mae Wright, Mary Hamilton and Betty Baggett, left to right, smile their approval.

Annie Hughes Is Honoree

Annie Hughes' co-workers arranged a dinner for her recently after her transfer from Sport Shirt to Shipping, with an orchid corsage and a gift surprise for her.

After Coleen Stanley presented her with the gifts Phyllis Hobson pinned on the corsage and then everyone joined in the delicious luncheon that was brought in.

Annie has had almost 15 years with Anvil Brand; her last time with the plant now totals about 10. She has worked in Pants and Sport Shirt and served as a training supervisor in both departments. Her job in Shipping is final checking.

The Hughes live at 1808 Guyer Street and have one daughter, Patricia, who is in the 10th grade at Jamestown High School and is a majorette with the school band.
