Red Team is in second place with 14 won to 10 lost; Green is third with 13 won and 11 lost. In fourth and fifth places are Purple with 11 won, 12 lost and Blue with 8 games won to 16 lost.

Basketball Season Opens

Basketball season has started and Jerry Paschal is heading the Anvil Brand program as player-coach.

Approximately 14 games will be played by the company team, with some ten boys expected to play regularly. Jerry urged all Anvil Branders to come out and see the team play. A schedule of games will be posted soon.

PLAY BALL!—This was a familiar sight last month as lunchtime found practically everybody who possibly could manage it, next to a radio. Girls at the Sales Office who followed the games are left to right, Nancy Porter, Martha Lou Smith, Helen Swaney, Mary Chandler, Ellen Moore, Nancy McDowell and Marlene Suggs. Fern Beck is seated. The attraction: The World Series!
