## Black Team Leads Bowling; Roach Has Highest Average

The Black Team maintained its lead in Anvil Brand's bowling league with 25 games won to 11 lost at the close of the first half of the season. In second place is Red Team with 21 won to 15 lost. Green Team is third with 19 won, seventeen lost and the Blues are fourth with 16 won to 20 lost. The Purples are next to the bottom, having won 14 and losing 22. The Whites are in the bottom slot with 13 won to 23 lost.

However, the picture could change considerably in the last half of the season and Anna McKinney urged the bowlers to support their teams regularly when bowling starts again after Christmas. And, remember, the bowlers are going to wind up next Spring with a grand celebration at Plantation Supper Club!

on the team.

"He started work in a small position, has worked his way up the ladder to position of Traffic Manager and assistant vice-president of the company. Last, but not least, he is on Anvil Brand's bowling team. But I shall have heart and omit giving his bowling average.

"Paul's wife and his one son, Kenneth, make their home on Madison Avenue where Paul pursues his hobby of caring for the lawn and gardening. His wife, Ada, is assistant to Dr. L. H. Zimmerman, local dentist.

"Kenneth started as a four-letter man in sports at the local high school and is a member of the Junior Class at the University of Tennessee. It appears Ken will follow in his father's footsteps in his love of sports and interest in people.

"Truely, Ken has a father whom many boys envy him having. "P. K." is a sincere, honest man, interested in his fellowman and I nominate him as one of the most outstanding Anvil Brand personalities!"

## Basketball Is Underway; Play Wednesdays At Y

Anvil Brand's basketball season is in full swing with one game won and three lost. However, the team says they still are mighty optimistic and feel they'll soon hit their winning streak!

Players include Joel Paul, of Sales Office; Jerry Paschal, of Engineering, who is doubling as a coach; David Moore of Engineering; Doug Tate of Sales Office; Wayne Veach of Shipping and Richard Wade of Engineering.

Wednesday is the regularly-scheduled playing night for Anvil Brand's team at the YMCA.

The very best way to kill time is to get busy and work it to death.

The bonds of matrimony are not worth much unless interest is kept up.
