President Lincoln once said, "Together we stand, divided we fall." This, especially applies to the N. C. College basket ball team. There has been a lack of unity, co-operation, and team work among those who are participating in this particular sport; consequently the team has been greatly handicapped.

We have no means by which this sport can be conducted properly; no place to practice or play. In spite of their many handicaps the basket ball team has made the best use of what they have, and have earnestly tried to overcome these obstacles. It can readily be seen that our players are living up to the slogan, "Use what you have in the best way you can."

The Petersburg boys failed to allow the "Eagles" the proper show. Although the "Eagles" were defeated, they bravely fought their opponents to the last.

"Smitty," "Smoke," "Pop" and "Ship O'Kelly" held up for the "Eagles", while "Payne," "Robinson" and "Morgan" made the greatest number of points for Va.

SHAW 22, N.C. COLLEGE 19

This was one of the most thrilling games of the season. At times it seemed that the "Eagles" would win out; but the "Bears" settled on the "Eagle's" wings and prevented them from soaring higher. Yet they made excellent progress while they were flying.

The little "Eaglets" made a good showing, although they allowed one of the Shaw "cubs" to make 20 points. The preliminary ended 20-12, favoring the Shaw "cubs."

LINCOLN 21--N.C. COLLEGE 13

The Lions outclassed the "Eagles" in speed and showed superior form. However, the "Eagles" were successful in "soaring" up 13 points to the "Lion's" 31.

The high school girls and the Co-eds met. The tilt came to the Collegiates, 18-6 with "Baby Croom" and "Purple Perry" leading in points.

The basket ball season will close Tuesday night with Hampton Institute.
