

SPORT NEWS

"It won't be long now", is the cry, and to assure our readers of this fact the "Eagles", Champanions of the "Old North State", will clash with the Brooklyn Giants on the 16, 17, and 18 of this month in the College Park. Of course, at the present, the Eagles are somewhat handicaped in that the "Stadium" has not been completed, but they have worked into shape, and even the regulars haven't been picked as yet and the material looks good, plenty of form and life. We doubt tho that much of the new will land births but they shall be allowed a chance, together with the good material and good weath-er, we are sure to have the "Best team in this land".

"PLAY BALL"

The Interclass games will start Saturday the 10th. with the elimination contest, and the teams that pull the grade will play for the Champanionship at Hill Side on the following Monday. It is rumored that the Sophmores will take the tilt, not regarding the Juniors at all and only allowing the "Freshes" a chance.

The Co-ed as well as the "Hard-heads" take part in these games, and already we have summoned the ambulance for we are sure some of the old muscles and bones are going to be over worked.
